**GETTING TO KNOW THE MEMBERS**

**DENNY AND NANCY HOLDER**

Nancy and Rudy were both born and raised in Salt Lake. Rudy graduated from Granite High and Nancy from Highland. They met in 1977 and were married in 1978. They have 2 children.

Rudy was in the Army Reserve and worked for Aero Tech Manufacturing for 10 years. He installed equipment for the newspaper industry in Europe and all around the United States in every city that had a newspaper.

He started his own business in 1983, Advanced Metal Finishing Inc. (AMFI). They do powder coating, wet painting, Anodizing, Chemical Film passivating and screen-printing, mostly for the high tech industry.

Nancy has always worked in the animal business, Central Valley Animal Hospital for 10 years when she and worked for Salt Lake County Animal services for 12 Years. She is now retired and a stay at home mother & wife.

Rudy bought his 1981 corvette in 2001 for \$8000.00 and has invested another \$23,000 into since. He has always been a Chevy guy since his first car, a 1955 Chevy. Since then he has owned three 55 Chevy's, 2 57's, a 62 impala, a 64 impala, a 68 camaro Z-28, a 78 camaro Z-28, and currently drives 2008 Impala.

#### **JOHN AND MICHELLE BECKSTEAD**

They have been married for 7 years. Their 1st Corvette was a beautiful 2001 Victory Red Coupe that they bought together, when they had difficulty having kids. It must have worked because 1 month later Michelle was expecting. Now they have 2 wonderful kids, Jake (4) and Brady (1). Since then, they bought a 2005 Precision Red, with some modifications. Michelle spends her time at home raising the 2 boys. John is a self-employed Financial Planner and Retirement Specialist. His company is called Lifetime Financial, a local fee-only investment management firm. They look forward to their association with the members of the club.

#### **DAVID AND DIANE BREISCH**

They were born and raised in Salt Lake City. They were High School Sweethearts, both went to Granite High School, and have been married 33 years this coming June. They have 3 great Children-Tenney, Curtis and Daniel and three of the cutest and smartest grandkids on the earth. Dave has always wanted a Corvette since he was in High School, it has always been a dream of his to have one and after 30 years of his dream has finally come true!!! So in July of this last year Dave located a 1972 Corvette Stingray that he loves.

They both enjoy working in Sales, Diane as a Manufactures Rep for in the Furniture Industry and Dave works in packaging-Glass, Plastic and Steel Containers. Dave coached his boys in all sports as they grew up but the highlight of his coaching was to have his youngest boy and 17 other boys that played for him in Little League, play on the 2006 undefeated Bingham High team that went 14 and 0 to win the 5A State Championship and he is also a diehard **U Of U** fan. Dave is a wonderful cook and enjoys making all kinds of great dishes, the ladies in the neighborhood call him for his recipes and he delivers his famous Carrot Cakes to everyone on their birthdays. Diane is a Master Gardner and loves to play in the dirt anytime she can. She is also a very gifted quilter and loves to spend time behind her sewing machine.

#### **TODD AND JUDI HANSEN**

This is Todd's first corvette. He has wanted one since high school. The corvette that he bought sat on a used car lot for 5 months. He said, "If no one wants this car, I guess I'll buy it." He did. It's a dream come true! 1986 Black Coupe.

#### **KATHLEEN ROSKA**

Kathleen was born in Idaho and grew up in Salt Lake City. She worked at IML Credit Union for nine years and twenty-one years at Pioneer Valley Hospital Accounting Department. She has two daughters, one grand-daughter and eleven step- grandchildren and is a widow. She retired from "work" but helps her daughter as a horse groomer, pooper scooper and stall washer. She is a NASCAR nut. She has been to Bristol, Charlotte, Michigan and Las Vegas race tracks. She goes to the Las Vegas race track every year, has taken a Petty Adventure Ride-a-long and couldn't go fast enough and her plans are to go to at least one Daytona 500. She had a 1986 Corvette Convertible, a 1994 25th Anniversary Trans-Am Pontiac which she sold for a 2004 Red Corvette which she traded in for her 2010 Black Grand Sport.

#### **BOB AND KIMBERLEE SANDERS**

Kimberlee was born in Vacaville, CA. While she did live there most of her life (at least until they met) she did spend 5 years of her childhood in the Azores Islands. Her father was the Fire Marshal at the U.S. Air Base there. While there she and her family would spend two weeks touring Europe each summer (sweet). After moving back to Vacaville and graduating from High School she became a Registered Dental Assistant. She worked in the dental field for about 12 years before starting a second job with Mary Kay Cosmetics. She has been with MK for about 20 years and is now a Senior Marketing Director. And yes she has earned the Pink Cadillac (six or seven in fact).

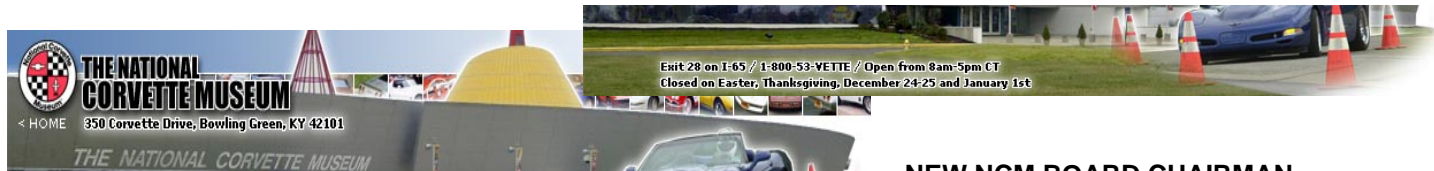

Bob was born in Great Falls, MT. a long time ago. His dad was a pilot in the U.S. Air Force so they moved a lot. One of their moves took them Tripoli, Libya (North Africa) where they lived for 3 years before coming

back to the states. They settled in Kansas City MO. After high school, Bob went to Missouri State College for 2 years (hated it) decided that he needed some adventure so he joined the army and went to Nam. After the army he stayed in California and started an apprenticeship as a machinist at Mare Island Naval Ship Yard. He worked there for 20 years, 10 as a machinist and then trained to be a Nuclear Inspector and did that for almost 10 more years. Kimberlee and Bob met while he was at Mare Island. With Mare Island closing he was sent to Kelly A.F.B. in Texas. He did 5 years there before they closed that base and they were sent to Hill A.F.B. That's two base closures. They have three kids a boy and two girls all in their 30's and doing well.

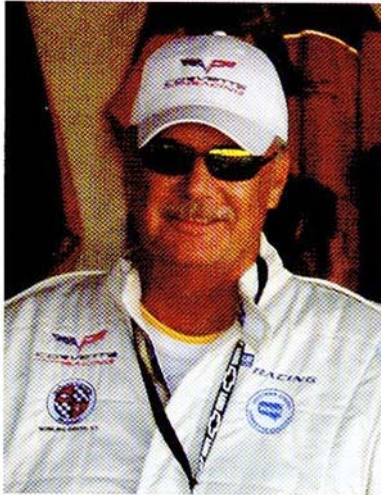

This is their first Vette. They had a 94 Gold Wing but got tired of being hot in the summer and cold in the spring and fall. And like most guys my age he always wanted a Vette so they got one. Their Vette is a 95 C-4 Dark Metallic Green.

## NATIONAL CORVETTE MUSEUM NEWS

### NEW NCM BOARD CHAIRMAN

### IS CLOSE FRIEND OF CCU

The National Corvette Museum has named Buzz Marston as the new Chairman of the museum's Board of Directors. Buzz has been a long time managing figure with the Western States Corvette Council (WSSC) to which CCU is an Associate Member Club and a long time NCM Board member. Buzz is also the WSSC's NCM and Public Relations Ambassador and as such has been a big help to CCU in our efforts with the American Le Mans Corvette Corrals at the Miller Motorsports Park.

Buzz assumes the Director's chair following the well known Mr. Will Cooksey who has held a Board position for the past eight years and the Chairman position for the past two years. From Buzz's Chairman's Corner page in America's Sports Car magazine he says of his friend Will, "This is a huge growth period for the NCM with the building addition completion and the re-opening of our museum during the 15th Anniversary Celebration. Will was a great help with all of this."

On behalf of the members of the Corvette Club of Utah we wish Buzz great success out of the timing lights for this new responsibility.

Experience the pride and enthusiasm of being a member of your National Corvette museum. Go on-line to, <http://www.corvettemuseum.org/>

and check out your membership options. Also, see me, your NCM/CCU Ambassador for more information, and Remember the Wave.

## JANUARY 2010 BIRTHDAY BREAKFAST

The CCU Birthday Breakfast was held on January 16th at Village Inn in Murray, UT. The names of members with birthdays in January were read. Birthday boys and girls got a free piece of pie courtesy of Village Inn. We had a good crowd and restaurant did a good job of getting the food out to a large crowd.

After breakfast, several of the members of the club went to the Auto Expo of Utah at the South Town Expo Center to support the club members that cleaned up their cars and brought them out for a Corvette Corral. Our thanks to Mike Crawford for bringing the props for the corral display, and the members that took the time to come out and set up the display. There was a lot of interest in the CCU Corral.

There were a lot of neat cars on display at the Auto Expo. GM brought in a ZR-1 and a Grand Sport Convertible for you to get up close to, sit in, etc. If you wanted a demo ride, the best you could do was a ride in the new Camaro.

### **SUPER BOWL PARTY**

The annual Super Bowl Party was held on Feb 7th at MacCool's Public House in South Jordan. The weather was dry, but cool, so we even had a few Corvette's in parking lot including Horst's and Gabby's new C-5 Z06. It was a good match up for the game. At half-time, it looked the Colt's were going to win it and most of us went home. But the Saints came marching in and won their first Super Bowl. Come join us next year for this annual event.
