FROM THE PRESIDENT

Well, I noticed some of us have had our Corvettes out for a test run already this year. The weather finally broke and we got some clear skies and sunshine in the midst of all this cold and ice. Winter's not over yet, but Punxsutawney Phil didn't see his shadow, so according to Phil "Spring is just around the corner". Route 66 is also just around the corner, so let's get shined up and ready to go. In the next few weeks we will have additional excursions and activities lined up for us. Watch the Web Site and the *Vette Gazette* for event updates.

We are always looking for new ideas for trips or other event, if you have something we haven't done before, or something we have done in the past that you liked and would like to do it again, please contact our Events Chair, Larry Ricketts with your suggestions.

If you have any comments or concerns I will be happy to discuss them with you.

Looking forward to a fun and enjoyable 2011.

WSCC is a proud
Lifetime member of
the NCM

In 2010 the Western States Corvette Council (WSCC) recognized its 45th year. Having organized in 1965 and incorporated in 1968 the Council is now comprised of 28 full voting member Corvette clubs and an additional 12 Associate or non-voting clubs from 7 western states. Our Corvette Club of Utah (CCU) has been a member of WSCC since 2005 as an Associate non-voting club.

Western States Corvette Council was formed to serve as a link for, and to assist Corvette clubs throughout the west in inter-communication, cooperation, interclub events and to promote the image and to direct public attention toward America's only true sports car the Corvette. WSCC hosts many competitive and social events such as multi-club Car Shows, Corvette Rallies, Autocross, Drag Racing and an annual wiz-bang Convention. The Council is also a liaison for member clubs with General Motors and the National Corvette Museum.

Membership in the Council is really an individual matter. Any CCU member can enroll with WSCC. Membership is annual with a renewal each year. Individual membership entitles the member to participate in and stay in touch with the numerous events throughout the year. This past year, CCU members attended their second WSCC Convention. This past May was the second year that the 4 day event was held in Las Vegas. We had a fine time and got to rub elbows with Corvette club members from dozens of clubs like ours. In addition to partaking of the various events WSCC members receive the quarterly REDLINE magazine. In it are messages and updates from the Council's Board of Directors and highlights of the WSCC sanctioned events that have taken place most recently. The magazine contains tech tips for Corvette owners along with photographs and descriptions of Rallies, car shows, socials and competitive events. Our club's affiliation with WSCC was a factor in the National Corvette Museum's recognition of our club's 3rd place national web site award in 2010.

If our Corvette Club of Utah can enroll 51% of our members in WSCC we will be eligible for full voting club status with the Council. You can view the online version of the REDLINE magazine and get an overview of all the activities and benefits of WSCC by going to their website, <http://www.wscw.ws> While there you can also print out an application for membership. Dues are initially \$41.00 per year with renewal of \$35.00.

As your WSCC representative for CCU I will always have membership applications with me at the CCU meetings and most events. Feel free to contact me with any questions you might have regarding the Western States Corvette Council and join with me and the other CCU/WSCC members for the fun and camaraderie.

Additionally, the following limits are placed to obligate Club monies; (a) five hundred dollars (\$500.00) by two-third (2/3) majority vote of the officers, (b) any expenditure exceeding five hundred dollars (\$500.00) will be voted on at a monthly Club meeting in accordance with ARTICLE IV Section 6.

NOT HEARING ABOUT UPCOMING EVENTS

We try to keep you informed with the Gazette, the CCU Website, and e-mail reminders. If you want to receive e-mail updates on events, changes to the schedule (and that does happen), you need to let us know your current e-mail address. If you change your e-mail address, you need to tell us or you won't get CCU e-mail.

eat dinner and socialize. No pressure, no points, just fun. Check the CCU website for the latest info, dates, and locations.

UTAH FOOD BANK

The Corvette Club of Utah received the following thank-you letter from the Utah Food Bank for our donation at the end of last year. We donated a total of \$1,950 for the year 2010.

Food Collection and Distribution • 2-1-1 Information and Referral

January 5, 2011

Bob Anderson
Corvette Club of Utah
P.O. Box 1207
Riverton, Utah 84065-1207

Dear Bob and members of the Corvette Club of Utah,

The Utah Food Bank is grateful for your donation of \$1,500.00 allowing us to “*meet the immediate, basic needs of people in our community who don’t know where else to turn.*” Your confidence and support of our agency has bolstered our spirits and reinvigorated us for the rigorous challenges that lie ahead. During the last year, even while facing a dramatic 40 percent rise in the number of emergency food requests, Utah Food Bank was able to make a remarkable impact in the fight against hunger. Throughout the state we provided:

221,237 nutritious dinners to low-income children in Kids Cafe
17,864 filled backpacks distributed through the Backpack Program
29,472 Senior Food Boxes delivered
30.8 million pounds of food distributed to low-income Utahns-the largest amount of food every distributed by Utah Food Bank in a single year
150 partners including emergency food pantries and agencies
114,994 calls to 2-1-1 Information and Referral

As you can see your efforts and this donation continue to make a significant impact in the lives of many hungry Utahns. On behalf of the thousands who would otherwise go hungry without your help, we sincerely thank you for your donation. Please feel free to give us a call if you have any questions, would like to volunteer, or if you would like to take a tour of our facility so that we may show you evidence of your giving in action.

Sincerely,

WEEKEND TRIP TO DURANGO, Co - 26-28 Aug 2011

Last year we went to Cortez, Co to see Mesa Verde. Many of you that went said you would be interested in returning to ride the Durango Silverton Railroad from Durango to Silver City. It's been several years since Parley and Hope took us on a tour of the railroads in Colorado so this year we are going to return to Durango and ride the rails again.

Friday, Aug 26th - 8:00 AM Depart from the Chevron Gas Station at Thanksgiving Point in Lehi, UT (Exit 284) and travel to Durango, Co. We will make the normal stop for lunch and gas in Moab, UT. For those that are interested, we can make a short side trip to Mesa Verde NP as we pass by Cortez, Co.

Saturday, Aug 27th - 7:00 AM Depart the motel for the train station. We want to catch the first train at 8:15AM. It's your choice if you want to buy the standard open air or the first class parlor car ticket. You will have an hour in Silverton for lunch and shopping. That evening will go to the Bar D Chuck Wagon Supper Show for Dinner.

Sunday, Aug 28th - 9:00 AM Depart from Durango for Home. We will stop for lunch and gas in Moab, UT. We will be back home early evening on Sunday Night.

Check the Corvette Club of Utah website for the latest information.

5TH NATIONAL CORVETTE CARAVAN - SEPT 2014

From now till Sept 2014 you will start seeing articles about the Corvette Caravan. What is the Corvette Caravan? Corvette Owners and Clubs from around the world cruise back to the Corvette Museum in Bowling Green, Kentucky in celebration of the only American Sports Car.

Information, including the header above, is preliminary as the event is being planned. This will be Caravan 14 and the 20th Anniversary Celebration. What can you expect? We expect to be part of the Northern California Caravan. On the Sunday before the Labor Day Weekend, Corvette's from Northern California and Oregon will visit Utah as an overnight stop. The Corvette Club of Utah will probably host some type of reception or event for them. On Monday morning, CCU will join the Caravan as it departs Utah for the Museum. Traditionally, the route follows I-70 to St Louis with stops in Denver, Co; Topeka, Ka; and somewhere around Evansville, ID. On Thursday Morning, the entire Northern California, Utah, Oregon, Washington, and other state caravans join together for a police escorted run to the Museum. Each caravan has a prescribed time to arrive at the museum and are announced as they pass around the museum.

Friday, Saturday, and Sunday start the 20th Anniversary Celebration with tours of the Corvette Factory, local area, and a concert at the museum. In the past, you have been on your own getting home. For this caravan, I'm proposing a Route 66 return home with a Sunday departure for Chicago to start the adventure which will end on the following Sunday at Santa Monica Pier in California.

To prepare for this once in a lifetime adventure, watch the Gazette and the Website for articles on things to be done as we get closer to the day of the event. Start planning now and reserve the dates on your calendar.
