From the President

Dear Members,

We are getting close to the spring driving season! The covers and trickle chargers are about to come off in preparation of all the fun events coming up.

Keep your eyes on the website for updates and new events.

Your officers are hard at work planning fun events for the rest of the year.

Please help us recruit new members. Have flyers or cards with you and either put them on a Corvette or greet anyone that you see with a Corvette.

Let's have a great spring as we interact with each other and enjoy America's Sports Car.

Club Activities

January Birthday Breakfast

The January Birthday Breakfast took place at the Golden Corral in Midvale. We had a good turnout and there were even some Corvettes in the parking lot. Members with birthdays in February were recognized. Bob Tillotson took home the \$10 Birthday drawing prize.

CCU Caribbean Cruise

In January, some of your fellow CCU members got tired of the cold and snow and went cruising on the new Carnival Horizon in the Southern Caribbean. We started out with a stop at Grand Turks where we enjoyed a beautiful sunny day on

the beaches. From there, it was off to the Dominion Republic where you had the choice to visit beaches or go inland and visit an exclusive Golf Resort and Medieval Themed Village which contained the church that Michael Jackson was married in. We then went to Curacao for more sunny beaches or visit the Dutch themed floating bridge, colorfully painted villages, or the liquor distillery. The last stop was Aruba which is famous for it's beautiful beaches. When we got back to Miami, we finally ran into some wet weather but it broke up in time for a visit to the everglades where some of us saw some alligators. The Horizon is a beautiful ship with the new Sky Ride, a new plaza with a variety of specialty restaurants and bars, and a large Imax theater. The reservation type elevators took a few trips to get used to but worked a lot better than the traditional elevators. It was a fun trip for most of us.

Awards Banquet

The annual Awards Banquet was held on Jan 26th at the Oakridge Country Club in Farmington. It's been a few years since we have been there but the food and service was excellent. The first item of business was recognizing the outgoing club officers. Next was the length of membership awards with a couple of awards for over 20 years of membership. Finally, the coveted member of the year award and trophy was awarded to Scott & Kori Jensen.

Kelly Vining then presented the humorous awards for unusual things that happened at club events. Recipient members took the roasting in stride and Kelly went out of his way to make the awards unique and humorous. The last 20 minutes of the banquet was a video created by Kelly highlighting all of the events that occurred during 2019 plus recognition of the members that passed during the year. It was a great show.

There was a good showing for the banquet but plenty of room for members. Plan on attending next year. If you take videos at events during 2020 and would like them included in the year end video then forward a copy to Kelly Vining.

February Birthday Breakfast

The February Birthday Breakfast was held on Feb 9th at the Village Inn Restaurant in Ogden. It was well attended and the food came out pretty quick. Members with birthdays in February were recognized. There were a few Corvettes there but mostly Grocery Getters. Everyone seemed to have a conflicting event for the afternoon so there was no after breakfast cruise.

Corvette Stories

From NASCAR to NCM

You come for the cars, you stay for the people. And that's how the story of DeDe

Cable and Kyle Petty began. Except in their case it was NASCAR that brought them together many years ago, and Corvette that brought them together in Bowling Green today. DeDe, a former babysitter for the Petty family, reconnected with Kyle through participation in his Charity Ride. Their friendship has been strong ever since, and the families came together to enjoy an R8C Delivery of DeDe's new ZR1.

CORVETTE RACING AT DAYTONA: Soggy Result in Rolex 24 for Corvette C7.Rs

DAYTONA BEACH, Fla. (Jan. 27, 2019) - In more than two decades of competition, Corvette Racing has faced its share of adversity and challenging conditions. The championship-winning program experienced the highs and lows of endurance racing Saturday and Sunday in a soggy start to the 2019 IMSA WeatherTech SportsCar Championship.

The two Mobil 1/SiriusXM Chevrolet Corvette C7.Rs finished the Rolex 24 At Daytona despite some of the most treacherous conditions in the team's 21-year history. Both Corvettes led the GT Le Mans (GTLM) class on multiple occasions in the opening half of the race before troubles beset Corvette Racing entries.

The No. 3 Chevrolet Corvette C7.R of Antonio Garcia, Jan Magnussen and Mike Rockenfeller led the team's effort with a sixth-place class finish. Magnussen qualified second and led during his first 90 minutes in the Corvette before the two C7.Rs made contact in pitlane.

Despite losing three laps in the incident, the No. 3 Corvette crew and engineers took advantage of timely yellows and key strategic calls to move Garcia back into the lead less than 10 hours. Unfortunately, the No. 3 Corvette suffered an electrical issue that impacted the digital dash around the track. As a result, the car-to-pits telemetry was compromised including fuel monitoring. That issue reared its head just before

halfway as Garcia ran out of fuel on the backstretch of the 3.56-mile circuit.

Once back in the pitlane Garcia handed over to Rockenfeller, who re-entered eighth in class. Attrition and the weather allowed the No. 3 Corvette to make up two positions before the race was stopped for the final two hours.

The No. 4 Corvette C7.R of Gavin, Tommy Milner and Marcel Fässler found itself in contention from the get-go after starting ninth in class. Gavin moved up to fourth before handing over to Milner near the two-hour mark, and the No. 4 Corvette raced its way to the lead a little more than an hour later. All three drivers spent time in the lead of the class.

The second half of the race held much of the same misfortune for the No. 4 C7.R as its sister car experienced. After having to stop for bodywork repairs not long after the rain began in earnest, Milner hydroplaned under braking going into the first corner and going into the tire barriers with the left side of the Corvette.

Once it returned to the garage, crews from both team entries went to work replacing a number of components on the No. 4 C7.R including left-side exhaust, rocker and bodywork plus the wing and nose, among other items. The stellar work took less than 30 minutes with Fässler returning to the circuit inside eight hours to go.

The next event for Corvette Racing is the Mobil 1 Twelve Hours of Sebring on Saturday, March 16 from Sebring International Raceway in Sebring, Fl.

March Birthday Breakfast

Come join us Saturday, March 16th at Callie's, 466 N State St, Orem at 9:00 am to celebrate club members who have birthdays in the month of March. Everyone is invited to attend.

A map and Instructions of how to get to Callie's are on the website. North members will meet at the Layton Hills Mall Flagpole at 7:30 am departing at 7:45 am. South members will meet at Smith's, 665 W 5300 S, Murray at 8:15 am departing at 8:30 am.

For those interested, after breakfast we will go indoor go-karting at K1 Speed, 700 E 10600 S, Sandy. Cost is \$22 for one 14 lap *arrive and drive* race or \$38 for two 14 lap races. Annual membership of \$6 to K1 Speed is required in addition to the cost to race.

The go-karts are electric; they are clean (i.e. no exhaust), quiet and fast! For your \$6 annual membership you will receive a head sock and free use of K1 Speed equipment.

April Birthday Breakfast and Polar Bear Cruise

It's getting to be that time of year again. Time to get the Corvettes out to warm the engine oil, shift through the gears and rotate the tires.

For April, our birthday breakfast will be at the Layton Golden Corral, 1624 N. Heritage Park Blvd, Layton. Come celebrate members who are having birthdays in the month of April. The date and time is Saturday, April 13th at 9:00 am. Everyone is invited to attend.

If the weather and road conditions are good (no snow), we will have our Polar Bear Cruise. What is a Polar Bear Cruise? Well, it's the first birthday cruise of the year in early spring (i.e. April) when we bring our Corvettes out of hibernation. It's a quick cruise to get the old fuel out of the tank and make sure everything is running well for the season, especially for those who plan to go to Route 66 with Bernie at the beginning of May.

The Polar Bear cruise will take us to Malad, ID for the customary purchasing of Lottery Tickets. From Malad we will head to Deep Creek, Cache Valley and then back to I-15 via Highway 30 to Riverside or Highway 89 to Brigham City.

Plan on a fun day. For those in Salt Lake, you should be back home around 2:00 in the afternoon.

Super Summer Sunday Series *by Kelly Vining*

Sunday cruises are starting again for the 2019 season! Sunday, April 28th will be our first outing (aka Breakout Cruise). Now, I am counting on good weather and as long as it doesn't snow, we are going rain or shine.

We will meet at the Maverick Center parking lot in West Valley at 9:00 am. I have chosen a route to take us west on I-80 to Skull Valley Road where we will head south to Dugway.

From Dugway we will turn back North on the old Lincoln Highway to Rush Valley. There is a farm store along the way which I believe it's called *Planet Goat*. Hopefully it's open so we can check out the goats and everyone needs to check out the restrooms; I won't say anymore.

From there we will turn North on the old Mormon Trail to Grantsville before heading to Tooele for lunch at the *Bonneville Brewery*.

After lunch we will head South to Stockton and then on to Ophir for a quick stop before heading to Fairfield, Cedar Fort, Lehi and home.

Plan for a typical spring day; long sleeves, pants and maybe a light jacket or windbreaker. Have some snacks and drinks in the car as well. If everything goes well, we should be back to Thanksgiving Point between 3:00 and 4:00 in the afternoon.

I plan to have video equipment including the drone, so be prepared for two stops minimum (one on Skull Valley Road and one on the Lincoln Highway) to record some year-end footage for the awards banquet.

At the present time we have 100 Corvettes officially registered for the Pacific Central Corvette Caravan. This is more than participated in the 2014 caravan so it's going to be lot's of fun with lot's of Corvette's as we get closer to Bowling Green. Because of the size of the caravan, Pacific Central Caravan is dividing up into groups of which CCU is one of them. When I join up with CCU in Moab, I may have some Corvette's from California in tow which will join CCU in the journey to Bowling Green. For our return on Route 66, CCU is one of the Pacific Central Caravan return groups and we may have new Corvette friends joining us on that journey as well.
