GETTING TO KNOW THE MEMBERS

OWEN AND BARB HUNSAKER

Owen and Barb Hunsaker have lived in Pleasant Grove for the last 12 years. They have been married for 12 years and have 5 children between the both of them. Just this past year the last of the kids moved out of the house. Owen is the Director of Finance with a satellite communication company in South Jordan, and Barb works in the prepress dept. for a printing company in Salt Lake City. Barb is an avid garage sale shopper and gardener. Owen loves fishing and the outdoors. They both enjoy outdoor photography.

Owen has wanted a Corvette since he was young, but as with most people, family, kids and the like would not allow. In 2007 things finally worked so they could purchase a yellow 2003 coupe. Barb drives a yellow Xterra and her only requirement was that the Corvette had to be yellow as well.

FRANKLIN AND SHIRLEY ZUPON

They were born and raised in Price, Utah and found out about the Corvette Club from long time friends Scott and Doreen Strong who also live in Price. For over 30 years, Franklin owned and operated a body shop and Shirley owned and operated a beauty salon. They have one daughter who is 28 years old. Franklin likes to trap shoot and ice fish, in fact he says he like all sports. Shirley tags along with him and enjoys the same activities. They have always had the passion for Corvette's, they own a 1978 silver Anniversary model and also a 2006 silver Z06. They look forward to meeting all the members of the club over this year. Their first club events will be the trip to Las Vegas and Mesa Verde.

STEVE AND KATHY KALM

This is their first corvette. They live in Draper, and have 2 Chihuahuas who are their spoiled little kids. They both are on a Paranormal Investigation Team and enjoy going around the state doing investigations and research. They look forward to meeting new people, many miles with the Corvette Club.

Kathy was born in Charlotte, NC, and moved to Indianapolis, IN at age 9. She moved to Westminster, CO after high school, and met Steve while working at Delta Airlines in Salt Lake City. Kathy has always had a love of animals, and works with local rescue groups to help find forever families for homeless pets. She is currently employed at Sorenson Communications as an America Sign Language Interpreter.

Steve has been into cars from an early age. Born in Salt Lake City, his first word was "truck" as the story goes. He has completed ground up restorations on a '67 Willye Jeep at age 15, and later a '69 K/5 Blazer that was given to him by his father. He has created many lifted 4X4's for himself and for friends. Steve had been wanting a Viper for years, and the time finally came to get a toy. After doing much shopping, and side by side comparisons of many brands and models, the Z06 Corvette emerged as the nicest car, so he searched local ads and dealer lots, but ended up buying his 2006 Copper colored Z06 off of Ebay. He flew to Mobile, AL to see the car, and took it to a local Chevrolet dealership to have the certified corvette mechanic give it the once over, then put it in an enclosed car carrier, and had it shipped to Draper, UT. Steve works for Precise Software as a Technical Account Manager.

YELLOWSTONE CRUISE

Several members of the Corvette Club headed north to Yellowstone at the end of February. While most members were freezing on the Wasatch Front, we were treated to beautiful and clear sunny days with 50 degree weather. There was lots of wildlife out and about because of the warm weather, including a couple of bald eagles. We traveled by snow coach up to the canyons and viewed the frozen waterfall from both sides of the canyon. The next day we traveled up to Old Faithful, stopping at some of the geyser basins on the way up. It was an interesting drive out because most of the snow needed on the road for the skis on the front of the snow coach's had melted. In addition to fitting in a movie, some of the members decided they wanted more adventure and drove snowmobiles to Old Faithful and back. Everyone had a good time, despite our club president getting billed \$800 for a stranger's snowmobile accident.

PARTS PLUS AUTORAMA

Corvette Club of Utah won First Place in "Best Club display" at the 2010 parts Plus AutoRama that took place on March 5th - 7th. Special thanks go out to Mike Crawford, Lee Turner, and Teddy Wardel for all of their time and hard work to bring the award to the Corvette Club.

MARCH MEMBERSHIP MEETING MINUTES

The March Membership Meeting was held on Mar 17th at Larry H. Miller Chevrolet. We thank Larry H. Miller Chevrolet for their hospitality once again.

The meeting started out with a presentation by Chris from Callaway Cars. They give a short history of the company followed by the packages available for a Corvette. Before the meeting, they displayed a 2010 Corvette Grand Sport that had the Callaway performance package.

Bob Anderson reminded the members that we normally meet at Village Inn after the meeting and all members are invited to attend. He then showed the Best Club Award received at the Autorama this year. Mike Crawford, Lee Turner, and Teddy Wardle were personally responsible for the club receiving the award.

Kim Riley presented the proposed club budget for 2010. A motion was made to accept the budget and it was passed by a unanimous vote from the membership.

Mike Barker presented the member of the year plaques to Lynn Hicks and Ned/Judy Anderson, the award winners for this year.

Bernie, Steve, Amber, and Bob T updated the membership on upcoming club trips. Details are in the Gazette and on the web page. Bernie announced that a CCU Route 66 Shirt was available for \$25 this year. Amber announced that Riverdale City is looking for Corvettes to carry Riverdale City Leaders in their 4th of July Parade on July 3rd. Contact Amber if you are interested.

A full copy of the meeting minutes can be obtained from the Club Secretary upon request.

Elementary school Principals in cooperation with the teachers and the PTA identify children in need of winter clothing from the Bountiful area schools. Once a child is identified, the principal presents a voucher to the parents. With the voucher, the child and parents can go to the Woods Cross K-Mart Store and pick out a new coat, boots and mittens. Since our first Car Show in 1998 over 3500 children have received new winter coats, boots and mittens.
