VETTE GAZETTE SUBMISSION INFORMATION

<p>To submit information for publication in the May/June 2011 issue of the <i>Vette Gazette</i>, please submit your information to the Gazette Editor , no later than Apr 13th.</p>

FROM THE PRESIDENT

I am looking out the window as I write this message for the May – June Gazette and can't help wondering if this winter weather will ever end. Enough already. I think I'm ready for a warm weather vacation. About the time this issue of The Vette' Gazette reaches you, some of the members will be in Arizona enjoying some, hopefully, warm weather and sunshine on the annual Route 66 outing. We wish them a good time and safe driving. Thank you, Bernie, for once again putting this trip together.

In June, please remember the R.C. Willey car show in Syracuse on June 11th, and the Ogden – Weber applied Technology College car show on June 16th. The club is being paid for participating in both of these shows and the proceeds will go to our 2011 charity. These are not the only

shows in June, there is also the Mountain West Street News Picnic on June 5th, Cruisin' the Boulevard in Bountiful on June 17th and 18th, and Cruisin' for a Cure at Wheeler Farm on June 25th. If you're looking for something to do, consider shining up the Corvette and attending one of these shows. Also in June is the trip to The Black Hills to see the Mt. Rushmore and Crazy Horse monuments along with other scenic wonders.

I want to take this opportunity to wish a Happy Mother's Day to all those Moms out there on May 8th, and a happy Father's Day to all those Dads on June 19th.

So, have fun out there this summer, and let's be safe.

As always, if you have any comments or concerns I will be happy to discuss them with you.

CCU CALENDAR PICTURES

If you would like to submit pictures for the yearly corvette calendar, there are few things you should know:

First, your camera should be at least six mega pixels.

Second, select a background setting that will show off your corvette.

Finally, take pictures of your corvette from several different angles.

As you take pictures of your corvette, try changing your aperture settings (which changes your depth of field). This can cause the background or foreground to be out of focus, or in focus depending on the setting. By doing this, you can make some very interesting pictures.

Experiment with your camera, the time that day, the lighting (bright sun, partly cloudy, overcast), background, angle and height of camera.

After you've taken the pictures, review them, and pick out the ones you think are your best. Email or burn to a disk the pictures you like best.

Send your pictures to Mike Corgiat, CCU Historian. All pictures will be reviewed by the calendar committee for next year's calendar.

If you enjoy taking pictures, and would like to take pictures on cruises, or events that you are participating in, please let me know.

Michael Corgiat

Historian.

GETTING TO KNOW THE MEMBERS

JIM & BRENDA PETERS

They both grew up in Northern California and although they did not attend the same High School, they were high school sweethearts. They both attended Brigham Young University and then went back to California and ran a construction co. for 20 years. They moved to Utah in 1990. Brenda's sister lives here, and Jim's mother was born in Altona, Utah. Jim has a pilot's license and flew their own Grumman Tiger for 17 years. They have 5 children, and most of them live close by. Jim's first corvette was a torch red 1971 convertible/ hardtop with a 454cid. Driving one evening on a country road in California, he found some loose gravel on the outside of a sweeping 90 degree turn. 110 mph was a little too fast, and the car spun out. After laying 176 feet of skid marks as the car drifted across the road, it matched up a large walnut tree with its right front wheel. The car took another spin and caught the next walnut tree 25 feet further down the road with its left front wheel. The car still wasn't done, and spun one more time in order to come to a rest on the other side of the tree. Jim rebuilt the car using two new front fenders, a new A frame, and a frame straightening job. Jim sold the car, and decided to wait until he grew up to own another corvette. Some forty years later he still hasn't grown up, but has gotten tired of waiting and they now own a 2008 C6 convertible in magnetic red with a tan top. They also are the proud owners of a 1924 Dodge Brothers touring car with a top speed of 25 miles an hour. Sometimes it is fun to go fast, and sometimes it is fun to go slow.

DAN AND SUSAN CARABALLO

Susan was born and raised in SLC. Dan was born in Brooklyn, NY. They met in California while working for the same company. They transferred to Phoenix and lived there for 7 years. They have been back in Utah for 3 years now. Their hobbies include golfing, camping and snow skiing. This is their first venture into Corvettes and vintage cars (if the '71 qualifies)! The car needs some paint and interior work, but other than that, it is in good shape.

WESTERN STATES CORVETTE COUNCIL NEWS

In 2010 the Western States Corvette Council (WSCC) recognized its 45th year. Having organized in 1965 and incorporated in 1968 the Council is now comprised of 28 full voting member Corvette clubs and an additional 12 Associate or non-voting clubs from 7 western states. Our Corvette Club of Utah (CCU) has been a member of WSCC since 2005 as an Associate non-voting club.

Western States Corvette Council was formed to serve as a link for, and to assist Corvette clubs throughout the west in inter-communication, cooperation, interclub events and to promote the image and to direct public attention toward America's only true sports car the Corvette. WSCC hosts many competitive and social events such as multi-club Car Shows, Corvette Rallies, Autocross, Drag Racing and an annual wiz-bang Convention. The Council is also a liaison for member clubs with General Motors and the National Corvette Museum.

If our Corvette Club of Utah can enroll 51% of our members in WSCC we will be eligible for full voting club status with the Council. You can view the online version of the REDLINE magazine and get an overview of all the activities and benefits of WSCC by going to their website, <http://www.wsccl.org> While there you can also print out an application for membership. Dues are initially \$41.00 per year with renewal of \$35.00.

As your WSCC representative for CCU I will always have membership applications with me at the CCU meetings and most events. Feel free to contact me with any questions you might have regarding the Western States Corvette Council and join with me and the other CCU/WSCC members for the fun and camaraderie.

WEEKEND TRIP TO GLACIER NATIONAL PARK - 29-31 JUL 2011

If you wanted to take your Corvette through the Canadian Rockies and don't have the 7 days to take off from work to make the trip, here is your chance. Glacier National Park is an international park that straddles the United States and Canadian border. We won't formerly cross the border into Canada, but you will get see the Rockies, Lakes, and Beautiful lodges the Canadian Rockies are famous for. There is no limit on the number of participants. If you have a room, you are good to go.

Friday, 29 July - 8:00 AM Depart from Flying J in Willard, UT (Willard Bay North Marina Exit) and travel to the Best Western Plus Heritage Inn, 1700 Fox Farm Road, Great Falls, MT (406) 761-1900. We will stop for lunch and gas in Dillon, MT. Yes we will stop for potty breaks. We will be traveling the scenic from Dillon and rejoining I-15 north of Butte.

Lodging - Make your room reservations at the Best Western Plus Heritage Inn in Great Falls on-line (www.bestwestern.com), at the Best Western Worldwide Reservation Center (1-800-780-7234), or at the motel (1-406-761-1900) for 2 nights, 29 and 30 July with a July 31st departure. The best deal is a 2 Nights Stay Promotion, 2 Queen Beds for \$95.99 Friday and \$103.99 Saturday. The AAA rate offers King or Double Queen Rooms for \$107.99 Friday and 116.99 Saturday. The different rates is because the Canadians and ranchers come into town on Saturday for shopping and stay overnight. Because we are visiting a popular recreation area, in season, and on a weekend, it's better to make your reservations early if you are even thinking of going and then cancel them if you change your mind. If the Best Western is booked up (they have 200 rooms available), there are several other accommodations nearby. Contact me for the names and locations.

Saturday, 30 July - 8:00 AM Depart from Great Falls, MT to the St Mary Entrance to Glacier National Park. This is a fee area so bring your Park Pass. We will stop at the visitor centers and follow the "Going to the Sun" highway through the park. We will stop at the Lake McDonald Lodge for lunch and to gather together. Some of you may want to take more time than others and the lookouts will be crowded. We will depart the park through the west entrance and return to Great Falls on US-2, US-89 and I-15. Somewhere on the route, probably in Browning, we will top of the gas tanks so we don't have to worry about gas. This is a spectacular drive from rolling plains, to dense forests, to high mountain peaks and lakes with glaciers. Bring your jackets even though it is late July.

Sunday, 31 July - 8:00AM Depart from Great Falls for Home. At Helena, we will take US-287 to Idaho Falls via Henry's Lake. We will stop for lunch and gas in Ennis, MT. Even with the normal bathroom stops, we should be home by early evening on Sunday.

For more information contact Bob Clayton.

WEEKEND TRIP TO DURANGO, CO - 26-28 AUG 2011

Last year when we went to Mesa Verde, I had several members express an interest on going to Durango, Co and ride the Durango Silverton Railroad to Silverton and back. It's been several years since Parley and Hope took us on a tour of the railroads in Colorado, so let's go ride the train. There is no limit on the number of participants. If you have a room, you are good to go.

Friday, 26 Aug - 9:00 AM Depart from Albertson's Parking Lot, 652 North 800 East in Spanish Fork. To get there, follow I-15 to the US-6 exit in Spanish Fork. At the 2nd traffic light (Expressway Lane), turn right and you will see a Texaco Station in front of you and Albertsons to your left. We will meet in Albertson's parking lot. This eliminates the problem of trying to stay together in the I-15 construction zone in Provo and Orem. We will take US-6 to I-70 and travel to the Best Western Durango Inn and Suites, 21382 US Highway 160 W, Durango, CO (970) 247-3251. We will stop for lunch and gas in Moab, UT.

Lodging - Make your room reservations at the Best Western Durango Inn & Suites Inn in Durango on-line (www.bestwestern.com), at the Best Western Worldwide Reservation Center (1-800-780-7234), or at the motel (1-970-247-3251) for 2 nights, 26 and 27 Aug with a Aug 28th departure. The best deal is the AAA Rate, 2 Queen Beds for \$134.99 or a King Bed for \$140.39. Because we are visiting a popular recreation area, in season, and on a weekend, it's better to make your reservations early if you are even thinking of going and then cancel them if you change your mind. If the Best Western is booked up, there are several other accommodations nearby. Contact me for the names and locations.

Railroad - Make your train reservations at the Durango & Silverton Narrow Gauge Railroad on-line (www.durangotrain.com) or at 1-888-TRAIN-07. The Open Air Gondola or Vintage Coach Round Trip is \$83.00 a person. Buy tickets for the 8:30AM train on Saturday, Aug 27th. Book your train reservations early. They sell out fast.

Bar D Chuck wagon - Make your dinner reservations for Saturday, Aug 27th at the Bar D Chuck wagon on-line at (www.bardchuckwagon.com) or at 1-888-800-5753. Last year's prices were \$20 for beef or chicken, \$25 for beef and chicken, or \$33 for Rib Eye Steak. They will start taking reservations after April 1st.

Saturday, 30 July - 8:30 AM Depart from the Durango & Silverton Narrow Gauge Railroad train station in Durango. The train will have a one hour layover in Silverton, Co for lunch and shopping. Upon return to Durango,

we will drive to the Bar D Ranch for a chuck wagon dinner and show. Shops open at 5:30PM followed by dinner at 7:30PM.

Sunday, 31 July - 9:00AM Depart from Durango for Home. We will return through Blanding, Natural Bridges National Monument, Torrey, and Scipio. We will stop for lunch and gas in Blanding, UT. Even with the normal bathroom stops, we should be home by early evening on Sunday.
