FROM THE PRESIDENT

Letter from Ron Probert

Well we have gotten into the swing of this President thing and trying to get on top of all the many things officers do, and where I need to be on any given day. I hope to get better at it as time goes on. I am surrounded by great officers and they are working hard on your behalf to make things happen, and get things done.

We have now got the Facebook page for the Corvette Club up and running and if you want to get on, just go to your Facebook page, and in the search area type Corvette Club of Utah and you will be directed to the CCU Facebook page.

We have also steam lined the clothing ordering, paying, and receiving the clothes and we hope this will make it easier for all who want to order shirts, jackets, and misc. stuff.

The March birthday meeting at Rib City was great as we had many members there to celebrate the birthdays of which I was one, and also won the \$10.00 birthday prize. The \$10.00 prize is incentive for all of you to go to the birthday meeting each month.

Lots of things coming up in the next few months, car shows, meetings, and cruises, and all of this is posted on the web site. We are doing the Route 66 trip again this year, and led by the always colorful Bernie Warburton and his lovely wife Terri. The Corvette Caravan is shaping up to be a great trip and with the help of Bob Clayton, and Bob Tillotson doing some of the background work we should have a magnificent trip.

The weather is getting warm enough to get the cars out, and so we will be starting the after breakfast cruises to various places in the state, and spending the day seeing some of the sites in this great state. If you are interested in being the leader of one of these, please let me know, and tell me where you want to drive to so we can schedule.

If you have any questions, please feel free to contact me, and in the meantime, let's get out and drive our cars!

GETTING TO KNOW THE MEMBERS

COLIN AND SHESSANN LOGUE

My name is Shessann and my husband is Colin. We have always loved restoring and maintaining classic cars. I started my love affair for classic cars at a young age with my dad. He always had a vintage car in the garage and I would hand him tools and help him with his restorations. He opened his own shop a few years back where I started doing simple upholstery for his customers. I had so many people ask me to do their upholstery I opened up my own classic car upholstery shop in 2010 called Arrowhead Upholstery. I share my shop space with my husband who is an insurance agent specializing in classic car insurance and Medicare and Medicaid. Currently we own a 1955 Buick, 1973 Mustang, 1941 Olds, and a 1941 GMC Truck; last fall we got the opportunity to purchase a 1958 Corvette and jumped at the chance. It has always been my dream car and never thought I would have the chance to own one. The '55 Buick, or Daisy as we call her is my daily driver and I'm excited for spring so we can get our Mustang and the Corvette out on the road again. The '41 GMC is getting a new paint job this spring and a Beatles' themed interior, as it is my favorite band. We have 2 kids, ages 6 and 4 and enjoy cruising in our classics with them and visiting the national parks on the weekends. Now that I own my dream car, I would be honored to be part of your club and meet fellow Corvette owners.

CORVETTE RACING AT SEBRING: DISAPPOINTING END IN FLORIDA CLASSIC

©2014 [Richard Prince](#)

After leading during the day, sixth and eighth for Corvette C7.Rs

SEBRING, Fla. - Corvette Racing's two Chevrolet Corvette C7.Rs each led in class at Sebring International Raceway on Saturday but ultimately ended the 62nd Mobil 1 Twelve Hours of Sebring Fueled by Fresh from Florida on disappointing notes.

The No. 4 Corvette C7.R of Oliver Gavin, Tommy Milner and Robin Liddell finished sixth in GT Le Mans for the second round of the TUDOR United Sports Car Championship. The car led in class for significant portions throughout the race before two late spins and an engine issue with 30 minutes remaining put a halt to the car's charge.

Up until that point, it was smooth sailing for the No. 4 Corvette. Gavin set the class' fastest race lap (1:59.521).

The No. 3 Corvette C7.R of Antonio Garcia, Jan Magnussen and Ryan Briscoe had an up-and-down day with the "down" part coming into play again with four hours to go. The trio eventually finished eighth in class after suffering an opening-lap collision and fuel pressure problems that ultimately resulted in the replacement of the Corvette's fuel pump just past the eight-hour mark.

The No. 3 Corvette also lost a lap early with front bodywork damage it sustained on the opening lap when Garcia was hit by a competitor from behind and shoved into a BMW ahead of him on the opening lap. But timely yellows and strategy calls put the Spaniard into the lead just past the halfway point.

The next round of the TUDOR United Sports Car Championship takes place on the Long Beach (Calif.) street circuit from April 11-12.

CORVETTE CLUB OF UTAH NEWS

WEAR YOUR CCU NAME BADGE

We have lots of new members in the club. The only way they will be able to remember your name is if you wear your CCU name badge. To encourage you, only members wearing name tags will get raffle tickets for the Membership Meeting door prizes. Come on, dig out those badges.

NOT HEARING ABOUT UPCOMING EVENTS

We try to keep you informed with the Gazette, the CCU Website, and e-mail reminders. If you want to receive e-mail updates on events, changes to the schedule (and that does happen), you need to let us know your current e-mail address. If you change your e-mail address, you need to tell us or you won't get CCU e-mail.

CLUB MEMBER SIGNIFICANT FAMILY EVENTS

If you know of another member who is ill, having surgery or has had a death in the family, please let the CCU Secretary or another officer know, so a card can be mailed from the club.

CORVETTE CLUB CLOTHING

Keep an eye on the CCU website. In the very near future, there will be a link to club, shirts, jackets, hats, and other memento's. From the comfort of your home, you will be able to view, select, and buy club items using your computer, notebook, or smart phone. Items ordered this way will be shipped directly to your home. For more information, contact Michelle Davis.

PANAMA CANAL CRUISE

Several members of CCU went on a Panama Canal Cruise Mar 2nd through March 15th. Reports were they had a good time.

MARCH BIRTHDAY LUNCH

The March Birthday Lunch was held on Saturday, Mar 14th at Rib City in American Fork, UT. The names of members with birthdays in March were read. The weather was great for breaking out those Corvette's. Rob Probert won the Birthday Door Prize and donated it to the Utah Food Bank.

MARCH MEMBERSHIP MEETING

The March Membership Meeting was held on Wednesday, Mar 19th, at Larry H Miller Chevrolet. Ron introduced the upcoming events and asked for membership support of the RC Willey Car Show. This is a paid event that goes towards our charity. Ron also announced that CCU has both a Facebook page and a YouTube channel. Mike Corgiat is looking for volunteers to help him plan the Clubs 50th Anniversary celebration. Contact him if you would like to help. Paul Smith located the CCU timing kit. Unfortunately, it was not complete. The membership approved having a new one made. Dennis Dye introduced new items for purchase. You can view and order these items from the CCU website and pay for them using PayPal. Bruce asked members to wear time appropriate clothing to the Golden Spike Cruise so members could participate in the reenactment. You can obtain a complete copy of the minutes from the club secretary.

CCU SPRING BREAK CRUISE

The first weekend of April, 16 Corvette's headed south to Southern California to get out of the cold. It rained, it snowed, but overall, the roads stayed good and we made it with no problems. We took the old highway from St George to Mesquite to avoid the construction in the Virgin River George and picked up the Marsh's while in St George.

The first night we stayed in Henderson, NV. It was a newly renovated motel and was very nice. We did the famous Corvette U Turn on the way out of town when I got distracted looking for the new Ferris wheel on the Las Vegas strip. We got ahead of the California rush from Las Vegas and arrived in San Diego early in the afternoon. After checking in, we headed up to the Corvette Diner for dinner. We made a parade lap around the circle in front of the diner with our announced departure.

While in San Diego, we split up with some going to the midway, Sand Diego Zoo and Safari Park, Sea World, Mission Beach, Coronado Island, and Cabrillo National Monument. The only thing I can say about San Diego is we found some nice places to eat and we needed more time to do it justice. It was hard to leave after 4 days.

When we departed San Diego, we found the traffic on I-5 that we had missed most of the week. However, we made it to San Juan Capistrano and were surprised by the changes that had been made to the mission. If they would only add parking. Then it was over the mountains to Palm Springs. On the way, I told Dave to eat in Lake Elsinore because there was nothing in Hemet. Hemet has grown up. I didn't think we would ever get out of the city and there was almost anything you wanted in the form of restaurants.

After arriving in Palm Springs, we headed for the street festival for shopping and eating. The next day, the early birds headed for Joshua Tree National Monument and the late sleepers headed for the Palm Springs aerial Tramway. Both had a good time. In the afternoon, we went to Fabulous Palms Springs Follies. It was 3 hours of great entertainment by people a lot older than me. If you didn't go with us, you have until May 18th to take it in and then it will be gone forever. I'm glad I had a chance to see it.

We left Palm Springs for Flagstaff through the wasteland of Arizona. I have a hard time understanding why people live in that area. Finally we made it to Prescott where the main road was closed for a car show. We created a distraction because we had more Corvettes than they had cars in their car show. Then it was through the mountains to Jerome, a very interesting city, and Sedona for some shopping. From Flagstaff, we followed US-89 home finding a blinding red dirt dust storm on the way.

If you liked the CCU Facebook page, you got daily updates and pictures as we progressed on the trip. I plan on doing the same thing on the Corvette Caravan to Bowling Green. We are already making plans to return to San Diego. This time, more focus on the waterfront. Join us, it was fun.

APRIL MEMBERSHIP MEETING

The April Membership Meeting was held on Wednesday, Apr 16th at Larry H Miller Chevrolet in Murray, Utah. The sponsorship check was presented by Larry H Miller Chevrolet. We are very appreciative of their sponsorship. They also discussed the availability of 2014 and 2015 Corvettes. It was announced that CCU will donate \$900 to the Utah Food Bank for 2013. Ron announced the Lava Hot Springs Cruise will be on May 31st. Members were reminded of the MWSN Picnic on June 1st. Members were informed that \$400 had been committed to the Corvette and Mustang Club Picnic and to the CCU 50th Anniversary Celebration. The Corvette Caravan was briefly discussed and Tom told the membership about future press releases. Judy discussed future events and Ron went over the Car Show requests for CCU. Members were reminded that the next membership meeting will be on Thursday Night at the Utah Food Bank. Contact the CCU Secretary for a complete copy of the meeting minutes.

APRIL BIRTHDAY BREAKFAST

The April Birthday Breakfast was held on Saturday, Apr 19th at the Egg in Holliday, UT. The names of members with birthdays in April were read. Join us for breakfast even if it's not your birthday. Good excuse to get out of the house.

2014 CORVETTE CARAVAN - LETTER FROM THE CHAIR

Many thanks to all of you who have already sent your best wishes and offers of help. All support is greatly appreciated. I most certainly will be soliciting your assistance, advice, and action in the days and months to come. Although the next caravan is three years away, the time will pass so rapidly we will wonder why

all the planning didn't start in 2009!.

This caravan will mark the twentieth anniversary of the opening of the museum and the silver anniversary of its conception. We have the opportunity to make it the largest and best caravan ever. All we need is an abundance of new ideas and a ton of hard work.

You can contact me at vetltd@aol.com. I promise to get back to you within a 24 hour period.

THE 2014 NORTHERN CALIFORNIA, NEVADA & UTAH CARAVAN

Hi Again,

Some important info that may be of interest to you:

1.) I finally have managed to get a few more rooms in Bowling Green, only 5 miles from the NCM. However, there are some caveats: all the rooms have 2 double beds: 9 non-smoking and 6 smoking. You must book by the end of March and pay for the first night in advance. There is a 60 day cancellation policy. If you are still interested call:

Jameson Inn & Suites 166 Cumberland Trace Rd., Bowling Green, KY 42103

Call: 1-270-282-7130 and ask to book under the NorCal Caravan block.

The rate is \$110/night, but it looks like a nice place.

2.) There have been some questions regarding radios. I plan to use a GMRS radio, which seems to be the most popular among the groups - but I haven't settled on a channel yet (one also compatible with FRS radios). If some of you have CB's, that's fine also (among yourselves). Unless you can't read and you sleep through the drivers' meeting we all should know where we are heading each day and suggested stops along the way, so barring emergencies, there shouldn't be too much need for radio chatter. You all will be given my cell phone number and if anybody else wants to volunteer theirs to be a contact point, great.

Any comments/suggestions?

3.) For the leg from Salt Lake City to Cheyenne, I will lay out two routes. For those who just want to get there and maybe do things in Cheyenne, then just hop on I-80 and go.

For those with more of an "Iron-ass" inclination (like myself), I will lay out an optional route of back roads through the Flaming Gorge area (maybe even Dinosaur Monument - I haven't worked out if there is time for that). This will make a pretty full day.

If any of you have been through that area and have helpful suggestions, please let me know - or if I'm out of my mind.

4.) Speaking of Cheyenne, Robin Forrer, Captain of the Pacific NW group, has arranged for the Cheyenne Train Depot Museum to stay open from 5:00pm- 8:00pm exclusively for the NCM Caravan Participants. The fee is \$5.00. (Pay at the door). The Wyoming Captain, Lynn McBride is working with the Cheyenne area vendors and businesses to allow nearby parking. Dinner is available in the area, and there is a small food venue within the Museum.

5.) FYI - I have gotten a supply of info from the Kentucky Tourism Dept. that I will give to each of you at the launch.

6.) Speaking of Goodie Bags, I have a few things coming for you, but I have been surprised at the pushback from those I've approached. I realize that they get thousands of requests, but I thought that they'd leap at being able to support this noteworthy and honorable event. No such luck. So if any of you have any connections/suggestions, please let me know - but please keep in mind that I'm looking for USEFUL items on the trip, not a lot of paper that will just get thrown away since we really won't have room enough for what we want to bring along already.

That's what I wanted to cover at this point.

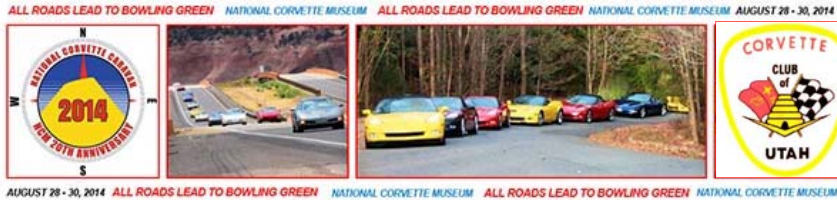

Thanks for listening.

The first step to participate in the caravan is to [register](#) for the caravan with the museum.

The second step is to sign up for [Caravan Chat](#) emails so you will be notified about the Caravan Events.

The last step is to sign up for the Corvette Caravan on the CCU Web Page so that we know you are going.

While you are waiting for the caravan trip, check back at the [Northern California, Nevada, and Utah Caravan](#) website for updates from our Caravan Captain. After you register for the caravan, he will add you to his email list so he can notify you directly of caravan updates.

Saturday Aug 23rd, events start in Wendover as the Northern California Caravan arrives. Participants in the 2014 National Corvette Caravan can soon make room arrangements for their stay in the Salt Lake City area the evening of Saturday August 23, 2014. Wednesday Aug 27th, the caravan departs Columbia, MO for the National Corvette Museum in Bowling Green, KY. We will wake up early and back track the 30 miles to Columbia, MO for the caravan drivers meeting and staged departure from Columbia, MO. The final leg is closely planned with the museum so that we arrive at the museum at the planned arrival times. In the past this has included a Corvette Kentucky State Police Car escorting us to the museum. The big challenge is getting through St Louis without losing anyone.

Specific arrival instructions will be provided at a later date, but in the past it has included a circle around the museum and then parking on the grass behind the museum. At a pre-planned departure time, we will head south to the [Best Western Plus White House](#), 404 Hester Drive, White House, TN (615) 672-3993. The rate is \$74.95 for a king or two double beds for Aug 27th thru Aug 30th. There are more rooms at the [Best Western Fairwinds Inn](#), 100 Northcreek Boulevard, Goodlettsville, TN (615) 851-1067. The AAA or AARP rate is \$89.99 for king or two double beds. The rooms are from Aug 27th thru Aug 30th unless you want to stay longer. Both hotels are right off I-65 for easy transit to the museum in Bowling Green.

Thursday Aug 28th, the caravan is over and the 20th Anniversary of the National Corvette Museum will begin. Celebrating 20 years of growth and changes, the 20th Anniversary of the National Corvette Museum August 28-30, 2014, will be celebrated with the arrival of the National Corvette Caravans with participants from around the globe. As with past Labor Days this celebration is a member-driven event, which unites friends, family and enthusiasts for a look back on the Museum's history and future! Those registered can enjoy the Museum with its many displays. Touring the factory is a must do activity. Keep trying to book your tour for Friday at 8:30 AM. At the very minimum, get on the Factory Tour Standby list. We will also probably arrange some day cruises to Mammoth Caves, local Kentucky back roads, and to some local BBQ places. I have a day trip planned for Thursday to drive and have lunch on the Tail of the Dragon highway. Since we are staying within 10 miles Nashville, we can also explore the possibility of attending a show there. Ron, Tom, and I will start putting some activities together as we get closer to the caravan. The NCM events and road trips have been announced and can be viewed on the NCM website. There are no advance reservations for the road trips so you will have to sign up for these trips when you arrive at the museum. Also, the new NCM Track will be open for parade and hot laps. Same thing, you have to sign up for them when you arrive at the museum.

Saturday Aug 30th, 9:00 AM those traveling home with me will depart White House, TN for Conway, AR going the southern route through Memphis, and Little Rock. We will be staying at the Best Western Conway, 816 E Oak Street, Conway AK (501) 329-9855. The AAA or AARP rates are \$68.39 for a king or \$74.69 for two queen beds.

We will try and stop at the Route 66 Museums in Oklahoma and Texas. We will be staying at the [Best Western Medical Center Inn](#), 1610 S Coulter Street, Amarillo, TX (806) 358-7861. The AAA or AARP rates are \$65.99 for a king bed or \$70.39 for two queen beds.

Monday Sept 1st, 9:00 AM we will depart Amarillo, TX for Carlsbad, NM. We want to tour the caverns and still be there at dusk when the bats come out of the caverns.
