GETTING TO KNOW THE MEMBERS

RUBEN AND SUSAN TRUJILLO

Ruben works at EG&G. He has been there for 10 years. He installed carpet for 38 years before that. Susan teaches dance and cheer. She has her own studio, Jazz In It. She just retired from coaching cheer at Tooele High for 20 years. They have seven grandchildren and another one coming in September. They both went to Tooele High and love camping, fishing, hunting, car racing, and their family. This is their second Corvette, a yellow and black Z06.

GARY SOMMERCORN

Born in Salt Lake City, Utah and grew up in Taylorsville. He is active in sports (especially baseball) and loves to hunt and fish. Some of his best memories are of wading streams and floating lakes with his uncles, or attending motorcycle races with his Dad (at the old "Duck Club" track west of Salt Lake).

He lived in Salt Lake City till 1987, when he relocated with his young family to Boise, Idaho where he managed a Cummins Engine Distributorship. After 3 years, he relocated again, this time to Las Vegas, Nevada to run another Cummins / ONAN location. And finally, after 3 years in Vegas, he came back to Salt Lake as a Vice Pres. / Sales & Marketing for Cummins. Soon after, he was recruited to work as a Vice Pres / General Manager at a truck dealership (which he did for 7 years) before leaving to take his current position with a Peterbilt truck dealer as the General Service Manager.

Since he was a kid, Corvettes have fascinated him! He bought his first one (a '69 Big Block convertible) before he even had a drivers license! Since then, he has owned a "66 Big Block Coupe, a '62 powerglide car, a 1991 coupe (his first "new" Corvette) and a 2008 coupe he bought new in February of 2008. He still has the 1991, and the 2008.

ZACH AND CARRIE MILES

Carrie and Zach both grew up in Ogden, Utah. Although attending rival high schools, Ben Lomond High School vs. Ogden High School, after graduation they found each other and were married June 9th 1998.

Corvettes have always been an integral part of his life, a bonding between father and son. Since he was 13, they have always had a corvette: a 1980 coupe; then a 1988 convertible. In the earlier years of marriage he convinced his wife to purchase a white 1998 but decided that it wasn't the Corvette for them.

They both earned their Bachelor Degrees from Weber State University; Carrie with an emphasis on Dance and Zach with an emphasis on Microbiology and Chemistry. From there they moved to New Hampshire where he attended Franklin Pierce Law School.

Carrie currently works as a law clerk for the Cragun Law Firm, P.C., and Zach works as an attorney for the University of Utah Technology Commercialization Office. They have two wonderful daughters; Sierra, 8; and Bailey, 3. They are sweet girls who are enjoying life as only children can and love to ride in 'daddy's corvette'.

After Zach's father bought his current 2004 coupe, Zach got the itch to own another magnificent piece of machinery and bought a 2001 Z06. Now that they have recently moved into the home of their dreams, set up

a comfortable lifestyle for their children, they have now recently purchased our black on black 2006 Z06. Their third child, if you will.

NATIONAL CARAVAN AND LABOR DAY UPDATE

A 15th Anniversary Update from

Roc Linkov (Abridged)

It won't be long now Caravaners when you'll be heading out on the road for one of the greatest events you can take part in. Just to bring you up to date here is a list of some of the newest developments:

We are in the process of obtaining additional parking in the general Museum area which is much closer than the airport. We will still run continuous shuttles from those locations to the NCM.

A new expanded 15th Anniversary Agenda has been posted on the website - <http://www.corvettemuseum.com/registration/celebration/info.shtml>

The Caravan and the 15th Anniversary are two separate but complementary events. You need to sign up for the Anniversary if you want to be able to do things at the Museum and satellite locations.

Caravan registration includes a hard card, dash plaque, car decal and T-shirt. All but the shirt will be mailed out ahead of time. Anniversary registration gives access to the Museum and includes a special hardcard and lanyard, dash plaque, pin, NCM admission (for non-members), access to all of the activities and seminars, and membership at a 20% discount for non-members.

Experience the pride and enthusiasm of being a member of your National Corvette museum. Go on-line to, <http://www.corvettemuseum.org/> and check out your membership options. Also, see me, your NCM/CCU Ambassador for more information, and remember the Wave.

WESTERN STAMPEDE CELEBRATION CAR SHOW

The CCU put on a car show in the West Jordan Veterans Memorial Park on July 4th for the Western Stampede Celebration. The morning started out with a parade down Redwood Road. We had the convertibles for the dignitaries but they elected to walk the parade route. Following the parade, we had about 40 Corvette's lining the sidewalk on the west entrance to the park.

MONTANA CRUISE

CORVETTE CLUB OF UTAH VISITS WINSTON ROD

June 25, 2009 R.L. Winston Rod Co. employees got a special treat this Wednesday, June 24th, when they were visited by the Corvette Club of Utah. Twenty-two gorgeous Corvettes arrived at Winston where they were greeted by the employees and given a special tour.

The Corvette Club was on a "Montana Old West Cruise into the Past". Their trip started in Salt Lake City on Monday, June 22 from where they drove to Deer Lodge. After enjoying the museums in Deer Lodge, they stopped in Twin Bridges to get their special tour at Winston before driving up the valley to see the sights in Nevada City and Virginia City. From Virginia City, the cruise continued over to Billings and the Custer Battlefield, finally wending its way back to Salt Lake via Jackson, Wyoming. The Corvette Club of Utah is especially proud of the fact that Corvettes belonging to club members include at least one model for every year since 1953. More information on the Corvette Club of Utah can be found at www.corvetteclubofutah.org

For more information, contact Leslie Clark winasist@3rivers.net.

45TH CLUB RECOGNITION EVENT

The Corvette Club of Utah celebrated its 45th Anniversary on July 11th at the River Front Park. Those that attended received a commemorative pen in recognition of the event. John Ledkins and his band provided the entertainment. It was good to see John again, and the music was the golden oldies, perfect for the event. It was a very enjoyable event for those that came out. It was cloudy, so it was considerably cooler than the previous days, making the weather quite pleasant for the event.

JUL 2009 MEMBERSHIP MEETING

The July Membership Meeting was held on July 15th at Larry H. Miller Chevrolet. The dealership provided two treats for viewing. A 2010 Camaro and a ZR-1. Both cars were beautiful.

Paul Cox started the meeting out by thanking the members for supporting the West Jordan Stampede and 45th Club Recognition Event. During the parade for the stampede, John let a young man drive his Corvette down the parade route and who then stopped during the parade, got on his knee, and proposed to his fiancée who was watching the parade. Paul went on to ask club members to drive safely and show courtesy to others while traveling as a club. This prevents negative feelings towards the club because of perceptions. Finally, he announced that we were unable to come up with a mutual date for a photo shoot at the Miller Motor Sports Park. We will be doing the shoot at the August meeting instead. The other officers presented information about upcoming events. No new members were introduced.

The NCRS invited the general membership to the Corvette Club Reunion on Sept 19th starting at 10:00AM at the park in Tooele. If you want to meet and talk with the original members of the club, this is the event to attend.

POWDER PUFF CRUISE (LADIES ONLY)

The ladies were out driving the Corvettes on July 16th during the first Corvette Club Powder Puff cruise. The gals met at Thanksgiving Point followed by a cruise, lunch, and some light shopping.

KEEP ON ROLLIN CAR SHOW

CCU participated in the Keep On Rollin car show in strength. Over 40 Corvettes showed up for the car show. It was an impressive sight to see them cruise up the canyon and enter the car show all at once. The CCU was rewarded with the Club Participation trophy. Several members won raffle prizes and the weather was definitely cooler than it was in the valley. All proceeds from the car show were donated to the Christopher and Dana Reeve Foundation for continuing research into a cure for spinal cord injuries. It was a great time, good food. See you next year.

BIRTHDAY BREAKFAST AND CRUISE

The July birthday brunch and cruise was held on July 19th at McCools. The names of members with birthdays in July were read. After the brunch, a cruise out to Opher was made for a tour of this old mining town.

GREAT BASIN NATIONAL PARK

A cruise to the Great Basin National Park was held on August 8th and 9th. We got out of town just hitting a couple of sprinkles on our way to the meeting point at Thanksgiving Point. As we headed out to Eureka, the skies were clear and the cooler weather made the trip very pleasant. We stopped for brunch in Delta. Dennis Dye and his father escorted us that far and then returned home. We headed out through the desert to Lehman's Cave. We arrive a little early so we took the scenic route up into the mountains overlooking the valley. The view was magnificent. We then headed back to the cave for our private tour. We had an extremely good tour guide who provided us a great deal of history with the features in the cave. It was an interesting tour. We then did the speed run to Ely. Ely is still the same old Ely. There was a car show going on in the park for those that ventured downtown. The rest tried their hand at gambling. Some won, most lost.

Next we headed down the road to McGill where the original drug store exists as a museum. What is unique about it is all of the merchandise and prescriptions from when they turned it into the museum were still there. It brought back a lot of memories for us of use in the wiser ages. From there, it was off to Wendover for lunch at the Rainbow Casino and then home.

AUG 2009 MEMBERSHIP MEETING

The August Membership Meeting was held on Aug 16th at Ardell Brown's home. We had a great crowd for the annual CCU picture. Presentations were made on upcoming events, the Caravan 2009, and the annual Christmas Party. After the meeting Ardell opened up his car collection for the club to see. Thanks Ardell and Donna for opening up your home for the club.

It's time again to nominate individuals for Corvette Club Officers for 2010. Individuals must be eligible based on 2009 club event participation. The names of eligible members will be read before the nominations start. Please check with nominees before nominating them to make sure they want to run for the office you are nominating them for. This is my last year as an officer so someone needs to step up as the Gazette Editor. It's your chance to take the Gazette to the next level of excellence.

For more information contact Kim Riley, 255-2662 or vetnwild@comcast.net.
