GETTING TO KNOW THE MEMBERS

JANICE SHEPHERD

Born in a small town in Georgia. After meeting the love of her life in Florida in 1974, she packed up and traveled with him to Rock Springs, Wyoming where he worked as an electrician. She had never been out of Georgia, and after the shock, adjusted to the Western Life Style. After Wyoming, they moved to Idaho, Texas, Nevada, and California. Her loved passed away from cancer and is buried in Tremonton.

She married again, sold time shares in Mexico and in the Bahamas before returning to the United States. Lived in Utah for 13 years before returning to Georgia to take care of her Dad. After he passed away in April, she moved back to Utah to be near her friends. She bowls, Country Dances, and now drives Corvettes.

This is her first Corvette, having wanted one since High School. She has two children and four grandchildren. She works and lives in Farmington and is "Enjoying Life".

COLTON AND MELANIE CHRISTENSEN

Colton Christensen and Melanie have a Black 1990 ZR-1 that had been hit in the rear end and repaired by Colton. There is hardly a nut, bolt, or screw on that car that he has not personally had his hands on. It took him almost 3 years to complete as he had limited time to work on it. It only has 29k original miles. It is actually his sixth corvette but the only one so far to make it back on the road. He sold all the others before he completed them. They just had a baby girl named Ella, she just turned 8 months old.

He works at Corvette Recycling which his father-in-law and started soon after he married his daughter. They started out building a 2001 Z06 Supercharged Convertible that they modified and painted themselves, after that things we got a little carried away and it soon became a business. They built salvage title cars for a couple of years before they decided that no one we had been buying parts from them They were doing it the way they thought it should be done. They have been selling parts full time for about two years now.

SCOTT AND SABRA RICHINS

Scott Richins was born and raised in Murray, Utah. Sabra Richins was born in San Antonio, Texas. Sabra moved to Utah in 1976 to attend the University of Utah. Scott and Sabra met in 1980, and officially tied the knot on July 14, 1990, after being together for more than 10 years. They have a grandson who just graduated from Murray High School this past June. They have made their home in Murray, and also own a mortgage business in Murray.

Scott has had a love of Corvettes for a long time, from his teenage years on. In 2008, he was fortunate enough to find the one he wanted for a great price. He jumped at the chance. It is his "baby", and does not come out if there is even a hint of a rain drop or a cloud in the sky! His "CYABABE"* car is a dream come true! Sabra gets to ride in it, which is just fine with her.

Scott and Sabra also enjoy fishing, hunting, 4-wheeling, and other outdoor activities. With previous skill as a carpenter, Scott built, by himself, a "cabin" outside of Kemmerer, Wyoming. The project started as a cabin, and has gradually become a very nice home. He finished this past fall, and they are now doing the fun part of decorating! It took Scott almost 12 years from start to finish. Now it is their getaway home, with access to great fishing, 4-wheeler riding, snowmobiling, and hunting throughout the year. The views are magnificent.

The Richins are excited to be part of the Corvette Club, and look forward to meeting new friends, and enjoying activities with other Corvette drivers in our area.

*Their License Plate says "CYABABE"!

JEFFERY AND LINDA ZORNOW

Jeff was looking for a winter father-and-son project and purchased a Binghampton Blue 1970 Corvette late last year. After several months of engine, suspension and interior work, it was ready to hit the road again. Although not his first Corvette (He owned a green on saddle new in 1994) this was his first classic Vette purchase. Now that the work is done, father and son are getting many happy miles behind the wheel. When his son leaves for college this fall, Linda and Jeff hope to meet some fellow, local Corvette and classic car enthusiasts through the Corvette Club of Utah. Originally from New York and Ohio respectively, they moved to Utah in 2000 when they retired.

JOHN STEVENS

John was born in Carbon County, Utah, schooled in Utah, attended Snow, Weber and BYU. He worked in San Francisco, Phoenix and Utah. Retired in 1999 and moved to Ivins, Utah where they purchased their Corvette. They returned to Utah County in 2003 due to his wife's health. The next 6years we were home bound with her illness and she passed away in April 2009. He enjoys golfing, riding in his Vette and integrating back in to life.

BYRON AND RAYLA SIMPSON

Rayla and Byron have been married for 38 years this coming Nov. They both just turned 60 years old. They have 2 children, one boy and one girl, both married. They also have lived in Sandy for 38 years. Rayla went to Granite and Byron went to South High. Byron also has a degree from the U of U. Rayla works for New York and Co. at the South Towne Mall. She likes to travel, and treat her dog as our newest child. Byron has worked for the Salt Lake City Fire Dept for 35 years. He is a Capt at the Sugar House Station. He plans to retire on April 1, 2011. He enjoys golf, travel and motorcycles. They both go to all the U's football games.

This is the 1st Corvette they have owned. He has been looking for one for about ten years. He got this one as an early retirement gift for himself. Rayla drives an Infinity and Byron drives a GMC pickup and a Harley Davidson touring bike.

ANDY AND MARILYN VORAVONG

They have lived in Utah for more than thirty years. They currently live in West Jordan. Andy owns his own Contractor Construction Business. They own two Corvettes, a Black 1999 with a Super Charger and a Indiana Pace Car Special 2007. They look forward to being members of the Corvette Club.

VETTES AND ETHANOL THUNDER AT MMP

The weekend of July 10 – 11, 2010 brought many thousands of sports car racing fans to the three mile modified oval in the Tooele desert at Miller Motorsports Park for the fourth round of this year's American Le Mans series race. Among those thousands were roughly 100 Corvettes from 8 states. These enthusiasts came to see their Chevrolet Corvette Racing Team take on the likes of Ferrari, Porsche, Jaguar, BMW and Doran Design Ford GT40. Our Corvette club was the host/volunteer club for this year's event. In conjunction with GM and IMSA our ten corral volunteers conducted an entertaining and eventful corral. During the weekend the corral hosted a bunch of excellent events including Raffles for Hot Laps, Hot Pit Tours and a grundle of special prizes. Some of our CCU winners included Jo Clayton, Jim Elliot

Bob Larson,

Bernie Warburton and Lee Turner. There were presentations given by some special people. Doug Fehan, Program Manager for Corvette Racing spoke on the team's switch to GT2 and the future of Corvette racing. Doug Robinson, Corvette Dev. Mngr. (Ret.) described early development of the C4, and the Michelin guys talked about the Michelin Racing and advanced street tires. On Saturday afternoon our four Corvette drivers, the two Ollys, Johnny and Jan, came to the corral for an autograph Meet & Greet and for the celebrity car judging.

On Sunday morning all corral participants met early for the mandatory driver safety briefing for the Parade Laps. We took off about 8:45 and everyone got at least two laps around the Miller oval.

Over the two racing days there were many qualifying events in different classes as well as numerous racing events. Races included the Prototype Lights, the GT3 Challenge, the PCA Race, Radical Sports Race and of course the Larry H. Miller Dealerships Utah Grand Prix. Our No. 3 C6.R team placed a 3rd place podium finish while our No. 4 Vette overcame a dead last place after an electrical problem shut the car down on the second lap. The boys managed to finish 10th in GT2.

As in years past, great efforts were demonstrated by our CCU Corral Team and for the first time at our own event our Corvette Club of Utah was awarded this year's Participation Trophy. On behalf of our club President Bob Anderson graciously accepted the plaque from Amy Manardo from GM.

I want to thank the attendees and supporters of our enthusiasm and

dozens of CCU members who participated in this year's event. It is because of the dedication to the effort that our

club is recognized nationally for this undertaking.

Thanks for being there CCU.

NORTH RIM GRAND CANYON NP

On July 17th and 18th, the club held an overnight cruise to the North Rim of the Grand Canyon. We made a quick trip to Kanab where we had lunch and met up with Ken & Diana Rice who went with us to the North Rim. We also met up with Darrell & Nancy Moench at the Cheese Factory in Beaver. It was a beautiful drive from Kanab to the North Rim. As we got above 6,000 feet, we were greeted with cool temperatures, green meadows, and stands of pine trees as far as you could see. After walking to Angels Landing, we ate dinner at the Grand Canyon Lodge overlooking the Grand Canyon. We took the tops down and cruised back to Kanab for the night. The temperatures coming down was a refreshing 64 degree's. The next day, we traveled up to Cedar Breaks

UTAH FOOD BANK

Food Collection and Distribution • Services for Seniors • 2-1-1 Information and Referral

June 10, 2010

Corvette Club of Utah
PO Box 1207
Riverton, UT 84065

Dear Corvette Club of Utah,

On behalf of Utah Food Bank's Board of Directors, staff, partner pantries and agencies and, most importantly, the one-in-ten Utahns at risk of hunger, thank you for your recent donation of \$95.00. Your contribution does more than provide food and services; it also provides hope to Utahns statewide.

Last year, Utah Food Bank distributed over 19 million pounds of food, served more than 140,000 meals to low-income children and completed 2,215 repairs to senior citizens' homes. Utah Food Bank could not have accomplished this without the support from individuals like you.

As you might know, many of our state's citizens have been impacted by current economic conditions. Our network of 230 emergency food pantries and agencies statewide are reporting an average 30% increase in the number of food requests from clients in need. Because of your generosity, fewer individuals and families seeking food assistance will worry about where their next meal comes from.

On behalf of the thousands of our Utah neighbors in need of assistance, we sincerely thank you for your contribution. If you have any questions, would like to volunteer or are interested in taking a tour of Utah Food Bank's facility, please contact Ginette Bott, Chief Marketing Officer, at 801-887-1283.

Sincerely,

Jim Pugh
Executive Director

A Member of FEEDING AMERICA

JULY BIRTHDAY BRUNCH

The July Birthday Brunch was held on July 18th at the Village Inn in Murray. Names of members with birthdays in July were read. No cruise was planned in conjunction with the brunch.

JULY MEMBERSHIP MEETING MINUTES

The July Membership meeting was held on July 17th at Ardell Browns home. We thank Ardell for his hospitality. Members at the meeting were served a Dutch Oven dinner prepared by Bruce and Judy Carr. Bob Anderson welcomed the members and provided information on future events. He thanked the volunteers that made the Lemans Race Corvette Corral a success. Mike Barker introduced new members Scott & Sabra Richins and John Stevens. A copy of the meeting minutes is available from the Club Secretary upon request.

SEATTLE CRUISE

It was reported that 7 Corvettes cruised up to Seattle from July 24th to 31st. This was the longest trip of the year. They visited the Pike's Fish Market, Underground City, Boeing's Museum of Flight plus took a ferry to Victoria British Columbia. On the way back they stopped and visited Leavenworth, WA. It was a nice cool 78 degrees with sunny days, and no rain. Seattle is a beautiful city and they had a good time.

POWDER PUFF CRUISE

The women in the club got together on August 7th and held a Powder Puff Cruise. This has become an annual tradition for the club. They took the Corvettes to Ogden stopping for lunch at the Greenery Restaurant. Of course, it was shopping time before lunch at the Paradise Gardens Gift Boutique. The Boutique is located inside the old Rainbow Gardens swimming pool and bowling alley.

From there, they took the Corvettes up Ogden Canyon and on the old Snow Basin road. In the old days, a sports car race was held each year on this road so it is another good Corvette road. They then headed back to Salt Lake via East Canyon above Morgan, UT.

AUGUST BIRTHDAY BREAKFAST & CRUISE

The August Birthday Breakfast was held at Woodland Park in Farmington, Utah. Breakfast was served by the club officers. Members with birthdays in August were recognized.

Following breakfast, we took a cruise up to Logan where Bruce Lawrence took us for a cruise up Logan Canyon with a stop for Raspberry Milk Shakes. When cruised around the east side of Bear Lake to Montpelier. We then backtracked over the pass to Preston, ID followed by dinner at Hamilton's in Logan. It was a full day adventure of driving Corvettes.

AUGUST MEMBERSHIP MEETING MINUTES

The August Membership Meeting was held on August 18th at Hidden Valley Park in Sandy, Utah. This was a desert extravaganza with members bringing their favorite desert to share. Because of cut off dates to get the Gazette to press, I have no details from the meeting. Minutes of the meeting can be requested from the Club Secretary.

CLUB SPONSOR CAR SHOW

A Larry H Miller Grand Opening Car Show on August 21st at their new location. All members were requested to attend to show our support and appreciation for our Sponsor as they move the dealership to a new location. Hopefully the Corvette's drew the crowd they need to make it a successful sales day for the dealership.

CRATER OF THE MOON NP

The last overnight cruise for the year was held on Aug 28th and 29th. We cruised up to Craters of the Moon National Monument near Arco, ID. On the way, we stopped at Idaho National and Engineering Laboratory museum to see a control room and some of the nuclear power creations. INEL is responsible for Navy's Nuclear Submarine Propulsion Systems and provided power for Arco making it the first city powered by nuclear power. After visiting Craters of the Moon, we cruised along the foothills of the Sawtooth Mountains to Mountain Home, ID where we spent the night. On Sunday, we headed for Mountain Home AFB and then followed the Snake River to Glen's Ferry. We stopped for lunch in Twin Falls and then headed the rest of the way home.

LOOKING FOR A CORVETTE

I'm looking for a 1968 British Racing Green Corvette. It was sold to someone in the Ogden area and was seen there not long ago. We sold this car around 1973 and would love to find it. We are willing to pay \$500 finders fee if it is "our" old vett.. We would greatly appreciate any help you can give us. The previous owner said he delivered it to Nordic Valley Way I guess outside of Ogden possible Eden/Liberty Utah. He couldn't remember the name. Please please help me make our 40th anniversary a great one. Just call my cell 208-866-4262.
