## From the President

Good Day Corvette Comrades

Joe Shern

President, Corvette Club of Utah

You are really lucky! YOU are really lucky!! As I was taking my shower this morning, I was thinking how my job as President, is not easy, but it would be unbearable without the group of people that work everyday with me to *keep the wheels turning* in this club. I am talking about Cyndi and Don, Jeannie, Jason, Dave, Bob, Larry and Debbie, Billie, Karen and Steve, and Karl. Unless you have been an active officer in the club in the past, you don't realize how much these people *kick into gear* everyday to make things happen. Of course, I want to recognize the many club members that also help *grease the machine* to keep everything *running*.

Sometimes however, we need to *tune things up* and think about how we can help club activities *run smoothly*. Lots of us, including me, have gotten into the habit of not signing up for events that we are planning to go to. We just assume that the organizers of the event plan on us coming... *HUMMMM*. Lately, we have run out of food because only about 25% of us have gone to the WEBSITE to sign up. As a result, the staff hasn't been able to plan the event properly. We can't out think the "silent majority". Please, please, please, as I have vowed to do myself, go to the website and signup for these things.

And lastly, when you *run into our Corvette* staff, let them know how much you appreciate what they are

## 7th National Corvette Caravan is slated for August 29-31, 2024.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2024 and will mark the Museum's 30th Anniversary. Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum. **Larry and Sue Saylor, Heber City** “I was a member back in 2004/05. I’ve owned six corvettes over the years did a frame restoration on the 1969 several years ago. In fact one of your current members, bought it and had it for several years before selling it.

**Scott and Betsi Green, Bountiful** “I’ve been into classic cars and traditional hot rods for the last few decades. Last September I decided to get a modern day muscle car when I settled on finding a C6 427 Z06. I found it in Missouri took my 83 year old father and flew out to drive it back home. We’re looking forward to doing some cruises and making some new friends.

**Daniel and Beverly McNeece, Draper** “I grew up in California working on cars and interested in fast cars like most teenagers. I recently bought a red 2002 6 speed Coupe. I’ve never owned such a fun car.

**Karl Donaldson and Rachel Robins** “I’ve been in love with Corvettes since my first purchase, a 1969 all the way back in 1982. Since then I’ve owned a 1977 and three 1982’s, two of which I still have. I’ve started a YouTube channel called “Fully Vetted” and plan to interview Corvette owners about their love of Corvettes.

**Timo Saarelainen and Jinger Adams, North Salt Lake** “I’ve always been a sports car enthusiast, and have owned many, but never a Corvette until a few months ago. And I love mine; it has 4500 miles and could be on a showroom floor.
