GETTING TO KNOW THE MEMBERS

PAT HOLDEN

Pat lived in Ogden until he was 11 yrs old. Then his family moved to Wash. and he lived in and around the Seattle area for about 40 yrs. He spent 2 and a half years in Vietnam.

He works for Fedex as the senior lead at the Salt Lake ramp. He has worked for Fedex for 17 yrs. Pat likes to fish and play golf, but he has the best luck fishing. He has 2 children and 4 grandchildren.

This is his first vette. It took him about 3 months to find it. He has wanted a vette since I was 15 yrs old but never seemed to be able to get one before he turned 60. He made it by 59. His other vehicle is a 2000 Chev S-10 ZR-2 which is his daily driver.

GREG LUPUS

Greg has six kids, all married, and sixteen grandchildren. He loves to hunt and all outdoor sports. He grew up in Orem, Utah and currently lives in Midway. He runs Bonneville Industrial Supply. He has been in business for 33 years. He likes to work and play hard. This is Greg's third Corvette. He likes to travel and is a Harley rider.

LANCE PARKER

Lance has lived in Taylorsville, Utah for the past 20 years. He was born and raised in SLC and grew up in the Sugarhouse area. He went to South High school and graduated in 1973. He has 1 daughter and 3 grandchildren. He also has 4 step kids. His step daughter has 3 children. His wife passed away a year ago December so he lives alone with his 2 dogs and 2 birds. Lance is a bus salesman and travels all over Utah and Wyoming. He has always liked Corvettes but this is his first one. He likes to collect old Utah license plates. He is looking forward to meeting new people in the Corvette club. He likes to camp and travel.

RICHARD AND SALLY MCDANIEL

Sally and Richard have known each other for about twenty one years and have been married for nineteen years. Between their families they have eight children, twenty six grand kids and six great grand kids.

Richard was born and raised in Tulsa, Ok. He works for a Mining engineering company in the capacity as a construction manager, field engineer and several other caps. He enjoys golf and has a great looking golf cart that is red (of course) with a lift kit and some other goodies on it. They live on the Glen Moore golf course and that's where he plays mostly.

His wife, Sally was born and raised in Riverton, Ut. and has spent her life in various locations including Anchorage, Al. She enjoys working in the yard, taking care of the home and looking forward to our annual trip to Cabo San Lucas each year.

Richard had a 1961 corvette in 1965 when he was single, it was a great car with a 1965 fi engine. The car came from California where the engine was rebuilt, balanced and blueprinted.

LAURA BECKSTEAD AND JOHN IRWIN

John and Laura have lived in SLC all of their lives and have been together over 25 years, 17 of that married. John graduated from Highland High and Laura from Cottonwood.

Laura is retired from Salt Lake City Police Dept. as their Technical Support Director, and has owned her own security business and trucking business. John still owns his own trucking co. doing heavy haul currently. They both love their garden, and have completely remodeled their home. John loves all power tools, while Laura tries to keep her hands out of mischief with cross stitch and reading. They are both die hard Dodge fans, and we forgive the Corvette for being a Chevy, because we love it!

Laura has always dreamed of owning a Corvette, and knowing that, John's two adult boys every Christmas would purchase a small die cast for her.

Four years ago, her husband called and said she needed to go to the trucking shop as he needed to show her something on one of the trucks, when she arrived, she found all the drivers and several friends as well as John's boys. John opened up one of the bays to reveal her very own "life size" Corvette. Since then they have been lovingly restoring and enjoying it.

NATIONAL CORVETTE MUSEUM

- NEWS -

The National Corvette Museum was established in 1994 as a 501(c)3 nonprofit foundation with a mission of celebrating the ingenuity of America's only true

sports car, the Corvette, and to the sustaining of it's past, present and future. The museum has become a focal point for all Corvette enthusiasts to meet and participate in events, rallies, autocross, autograph sessions, information resource, seminars, road tours, banquets and BBQs and much more.

Your membership with the museum helps to maintain the only non-profit museum dedicated to a single automotive marque. Your membership helps to bring together enthusiasts of all ages from all 50 states and around the world. Our museum promotes the traditions of the Corvette for today's generations and those to come and preserves the legendary history and secures the future of America's sports car.

In April 2008, the official ground breaking ceremony on the 47,000 sq. ft. expansion for the museum was implemented. Scheduled for completion this year, this expansion project will include a Corvette Café, library and archive, additional display space, conference rooms and more. CCU members participating in this Fall's 15th Anniversary Corvette Caravan to Bowling Green will be able to see and enjoy the fruits of all the hard work and the dollars spent on this amazing project. Some of the many accomplishments of the NCM in 2008 include:

- 6,600 new members which raised the total NCM membership to over 32,000
- NCM Ambassadorship grew to 312 Corvette Chapters and Clubs
- Ten major events were hosted drawing Corvette enthusiasts from all 50 states
- Fourteen brand new C6 Corvettes were given away through the museum's fund-raising raffles
- 957 new Corvettes were delivered to their owners through the museum's R8C Program
- The Build Sheet/Window Sticker program, offered through the museum's Resource Center, grew to a record number . . . and much more.

Experience the pride and enthusiasm of being a member of your National Corvette museum. Go on-line to, <http://www.corvettemuseum.org/> and check out your membership options. Also, see me, your NCM/CCU Ambassador for more information, and "Remember the Wave".

We plan to travel from Bowling Green to Graceland in Memphis, the distance is 275 miles on the 6th and stay at the Heartbreak Hotel. They have several tour packages to choose from, their site address is <http://www.elvis.com/>, or phone # is 1-877-777-0606, they are not taking reservations until November 2008*. * We plan to do the 2 day 1 night Graceland VIP entourage package, the web site has all the details. Then after the tour on the 7th, depending on the time, we'll either stay one more night or head toward Oklahoma City, then to Albuquerque, then home up through southern Utah. I have to be back for work on Friday the 11th. I know that is more miles per day than most of the club members like to drive, so we'll probably have to split up after Graceland. We would love to have any of the other club members join us for the Graceland tour. It should be awesome. If there's any other info you need please contact me.

15TH NATIONAL CORVETTE MUSEUM CELEBRATION

Dear CCU Caravan Members,

We just received information from the National Corvette Museum stating that we can now begin individual registration for events and activities for this September's 15th Museum Anniversary celebration.

Included here is the original message we received from the museum, (NCM members will have already received this). By clicking on the "register online" link, it will take you to the Celebration page. About 2/3 way down that page you will find a link stating "Click here for Preliminary Agenda". Do that and just under the top heading you will see the blue line stating "To obtain plant tour information, . . . etc". You can click "Skip Intro" and go directly to the registration page. I heard that a number of CCU members have already signed up for a morning tour of the Assembly Plant on Friday September 4. You may try for that or pick which times and events you like. You can print out the full 16 page Agenda and choose which events you want to enjoy.

This link should take you directly to the Agenda Page:

<http://www.corvettemuseum.com/registration/celebration/agenda.shtml>

Lookin' forward, remember the Wave.
