GETTING TO KNOW THE MEMBERS

RON & TRACI OLIVAREZ

Ron's love for Corvettes started when he was 5 years old and his parents bought a black 56 with red coves. What a BEAUTY. He was hooked. They sold the 56 and bought a white with turquoise interior 60. His first corvette was a maroon 62. He loved that car. But since then he has owned 24 more. He was part owner of a top alcohol corvette funny car as well. He was brought up in the car business. So muscle cars and racing were the big deal. He has drag raced and road raced thru the years. One of the best deals of his life was when he was General Sales Manager for a Chevrolet dealership in southern Calif. They were the #1 corvette dealer in the nation at the time. Through the years he has been active with several corvette organizations. He first joined CCU in 1978. While in the club he was events chairman, vice president and president and my wife was newsletter editor. At that same time he was regional events chairman for WSCC. In 1986 he moved to southern Calif. and was very active in Corvettes as well. He was southwest regional governor for WSCC for several years and was president for Inland Empire Corvette Club and Corvettes For Fun. He was active in car shows not only showing his but judging as well. And he was very active in racing. The corvette and racing thing has trickled down to his son as well. He has had a couple of corvettes and currently owns a 2002 Z06. He also drives a top alcohol dragster that he campaigns on the national tour (NHRA). He does that full time.

BOB & BARB MUELLER

Barb and Bob are from St. Louis Mo. They have been here since 1980. They are in their mid 50s. They met in college and married in 1974. They have two Children Lisa is 30 and married and has one child (our first grandchild). She and her husband are teachers. Matt is 25, also married and lives in Reno. He is a mechanic for a transport refrigeration Co.

Bob is the General Sales Manager of Utility Trailer Sales of Utah and has been employed there 22 years. Barb is involved in charity work and is currently taking classes to become a hospital chaplain at St. Mark's hospital.

Bob has always been interested in Corvettes. He has not owned one before but has owned a 69 Camaro and a Porsche in the past. He now owns a Harley thanks to Ron Probert. The corvette he owns is a 02 Z06 and he bought it from Jeff England (one of his customers and a friend). Jeff just bought a new 07 Z06 and he asked what he was going to with his 02. He said "Why, do you want to buy it?" He drove it and was hooked. He knew how Jeff took care of his belongings so the negotiations were brief. His other vehicles other than the Harley are a 06 Murano, 04 Dodge P/U and a fifth wheel, boat and ATVs.

JR AND DONNA MATTIOLI

JR and Donna live in St. George, Utah. They have not lived there to long but now want to get involved in the Corvette Club of Utah. They own a 2008 silver convertible. JR was in law enforcement for 10 years before a injury forced him to find another line of work so he went into real estate and started his own business in Redding, Calif. He just sold that company after being there for 29 years. JR has always been in to cars and racing. He use to race drag boats. Over the years he has owned several Corvettes and hot rods. His collection of hot rods is now down to one but he says it is a beauty. It is a 1940 Ford sedan delivery truck. He says he was good with frame work and the engine but had to have help with the body and painting so he always called on his good friend Sam Foose. Yep, father to Chip Foose. JR still like to once in awhile ride his Harley but he says its getting hard on his butt.

Donna is also retired JR says she just takes care of him. That must be a big job I hope he pays her good. Donna is still in to real estate. They have two grown kids a son and daughter. Two grandkids, a 12 and 4 year old. They just brought a new pet home a hairless cat.

KEN AND ROSE BAUMAN

They moved from California about 4 years ago after Ken retired from being in the Real Estate business. The move was so they could be closer to their 3 daughters and 3 grand children (2 boys and 1 girl) who all live here in Utah. Ken hobbies include cars, cars and cars but as of now his only car is the 2008 black coupe (Jan now there are two of you) they he loves to drive.

In the past he has had Mustangs. His hobbies are: collect music of the 40 and 50. Collect radio drama of the 30, 40 and 50. They love to travel use to do it in a motor home but it was sold so I guess now it is travel by way of the Vette and motel it along the way.

MICHAEL AND CHERI RUSSO

Michael raised 6 children, not his, and Cheri has 3 of her own. They have 27 grandchildren, and 7 Great grandchildren. He was a Navy Corpsman during the Vietnam War. Cheri was an account manger. Their interests are a lot alike; they both love their corvette and look forward to belonging to the club. They also have a trike (motorcycle) and a Cadillac Deville. They enjoy visiting with family and friends throughout the states, Australia, and Canada. They have been interested in corvettes since in our teens, and finally got one. They live in a nice senior community, 55 and above, where all the homes are modular and placed on concrete. They live in Murray, Utah. Their youngest son just returned from Iraq in February of this year. He is in the Marine Corp.

LOWELL AND NANCY SORENSON

Nancy and Lowell are both retired. They have two sons, 7 grandchildren and 3 great-grand children. They will soon be married 48 years. They like camping, fishing, hiking, used to hunt a lot but not much lately. They also like boating, traveling, gardening. He works part time at his brother's retirement center in Orem. He does the yardwork and some of the maintenance. Nancy loves crafts, quilting, knitting, sewing and the like. She also loves feeding the wild birds. Most of all they enjoy family functions.

Lowell has loved Corvettes since the first one he saw in '53'. He didn't think (because of his height) that he would ever be able to own one. The older ones were almost impossible to ride in comfortably. The rest is history-They love their C6. They also own an '85 Riviera, '93 GMC P.U. and a '03 Buick Century.

DEAN PURDY

Dean just moved to SLC from Columbus, Ohio to become Plant Manager of Gottschall Engraving Co. He was with Harper Engraving in Columbus for 25 years, the last 10 in the same capacity. He has a 90 year old mother and four siblings living in Ohio. He is interested in cars as well as a HUGE college sports fan [GO BUCKS]. He also has a farm in Ohio which he enjoys hunting deer on. He became interested in Corvettes as a child, his brother who is 18 years older than him had several Corvettes through the years and he admired them greatly. His 1999 convertible is his first Corvette. He saved his money for some time and went and paid cash for it as a demo with 1200 miles on it. Although this is his first corvette he doubts it will be my last. He usually does not sell things [rather take care of them and keep them forever] but could see adding other cars as a collection. Due to the climates he chooses to live in he always keeps a 4 wheel drive truck as his second vehicle.

MIKE AND KIT KOSAKOWSKI

Mike and Kit are retired and split their time between Heber City and the Shenandoah Valley in Virginia. Kit is an attorney and environmental consultant and Mike a chemical/environmental engineer. They both have worked in Washington, D.C. for a number of years.

A 2004 Corvette convertible is their first, having previously owned a 911 Porsche, a Miata and several British roadsters. Our other cars are more utilitarian. The Corvette is easily our best long distance sports car.

Other interests are traveling, skiing, biking, gardening, astronomy, and many more though less frequently. Having participated in the Porsche Club of America for several years, they are looking forward to what the Corvette Club has to offer, especially touring this part of the country.

WEAR YOUR CCU NAME BADGE

We have lots of new members in the club. The only way they will be able to remember your name is you wear your CCU name badge. To encourage you, only members wearing naming tags will get raffle tickets for the Membership Meeting door prizes. Come on, dig out those badges.

SALES PRESENTATIONS

Sales presentations at any of our membership meetings from any business or organization other than our sponsor must be approved at the Officer's Meeting the month prior. Please, no exceptions.

EVENT POINTS

From Article XI, Section 1 of the ByLaws – Points will be awarded to the members for their participation and the winner will be determined by the highest score for each calendar year. We as officers have defined participation as attending the meeting and/or event, not just showing up, getting on the roll, and then leaving. Participation in the birthday dinner or cruise gets a the point.

NOT HEARING ABOUT UPCOMING EVENTS

We try to keep you informed with the Gazette, the CCU Website, and e-mail reminders. If you want to receive e-mail updates on events, changes to the schedule (and that does happen), you need to let us know your current e-mail address. If you change your e-mail address, you need to tell us or you won't get CCU e-mail. Please e-mail your most current e-mail address to Kim Riley at vetnwild@comcast.net.

CLUB SHIRTS, JACKETS, AND HATS

If you would like to purchase Club shirts, jackets and hats, contact Horst at 450-5231, e-mail: vette_fun4two@yahoo.com. Items must be prepaid.

ORGANIZING CLUB EVENTS

Do you know somewhere special to eat or someplace neat to visit that you would like to share with other club members. Contact one of the Club Officers. Activities can include Birthday Meal/Cruise, Weekend Cruise, Car Show, Overnight Cruise, or a longer cruise like Route 66, Sawtooth, or the Corvette's and Train Cruise. Most events are scheduled at the Officers Meeting in January and February. So start planning now so you can propose it for 2008.

CCU OFFICER ELECTIONS

The elections are coming up fast. New officers result in new ideas and activities for the club. Don't be afraid to participate. Checkout the bylaws to see if your eligible. In October we will announce who is eligible to run and accept nominations at the Membership Meeting in October. Elections will be held at the November Membership Meeting and results announced at the end of the meeting.

CONCOURSE D ELEGANCE

We did it on August 25th, a day for the record books. Thanks to the members of both CCU and NCRS, we staged the first 55 year Corvette Evolution. We had cars from 1953 to 2008. It was an amazing show with some great cars, old and new. It was neat to see how the Corvette has evolved each year, with something new and better. It was the highlight of the Concourse D Elegance show and received a trophy to show it. There were over 300 cars on display, 90 of them being Corvettes. Thanks for a great turn out. It appears the show was a great success providing some badly needed charity support for the senior programs in Salt Lake County and the education programs at Thanksgiving Point.

JOHN KENNEDY'S HOUSE OF CUSTOMS 50TH ANNIVERSARY

On Sept 1st, John Kennedy celebrated 50 years in business at the House of Customs in Bountiful. This is important for Corvette owners because John is known nation wide as the source for Corvette Specification upholstery and convertible tops for 1953 to late 80's Corvettes. For Utah Corvette owners, John is one of the original officers, if not the father of the Corvette Club of Utah. For those that made it to his celebration, you were treated to a lot of CCU history if you looked around while enjoying the cake and refreshments.

PEACH DAYS

CCU participated in Brigham City's Peach Days on Sept 7th and 8th. The festivities started with a poker run on Friday, Sept 7th that ended at Jim's Burger in West Haven. The winner collected a \$100. Those that did not go missed out on frozen yogurt courtesy of Hogi Yogi in Riverdale. On Saturday, Sept 8th CCU participated in the Peach Pays parade through Brigham City followed by a Peach Days Car Show. CCU had over 45 Corvettes there. Thanks for a great showing.

CORVETTE CLUB DRAG RACING

John Berg and Mike Barker want to thank each and every one of you for being involved with the club drag racing this summer. It turned out much better than planned. When we first started, we planned on having a team no bigger than 15-16 racers. It ended up with 37 known racers and 3 that it appears did not fill out the paper work. So I guess we can say we had a total of 40 racers for our team from race #1 to the finish. I feel bad that some only came out once to help the team. They just don't know what they missed. I think we all had a great time and had a chance to make new friends.

Check the RMR web site to see where you placed for the year. Google: Rocky Mt. Raceway, Salt Lake City and it will bring up the web site. Adding up the points it appears we took 1st place in the non-slick class. We may have taken 3rd in the registered racers with only three of us in that class. We only had one team member race in slicks and he only raced twice. We hope the other team leaders made the request that Mike Barker did that we need an over all champion for the year. That would be the team that made the most overall points. I guess it will be a while before we know that.

Once again, thanks for being part of the 1st ever Corvette team racing at RMR. We are looking forward to next year. If we don't have team racing come join RMR for Summit or Big-O racing on Friday nights.

Here was our team from this summer: Mike Barker Corvette & Camaro (team captain), John Berg Corvette (assistant team captain), Steve Ballard (Corvette Z06), Don Bonnema (Corvette), Kurt Crocker (Corvette), Ken Donaghy (Corvette), Jake Fisher (Corvette & Ford truck), Curt Gaylor (Corvette), Trevor Larkin (Camaro), Mike Norman (Corvette ZR1), Ross Rossland (Corvette), Lee Turner (Corvette), Teddy Wardle (Corvette), Ron Weismann (Mustang), Michael Clark (Corvette), Ray McManus (Corvette), Ron Probert (Corvette), Carol Probert (Nova SS), Steve Bonnema (Viper), Jay Elliott (Corvette), Jeff Hawkins (Dad's new truck), John Hawkins (Corvette Z06), Tom Kindrick (Corvette), Clint Lish (Cadillac), Ken Nengas (Camaro), John Riddle (Corvette), Jamie Sadler (Corvette), Scott Stanford

(Corvette), Ralph Jensen (Corvette), Chase Christensen (Camaro), Jim Poyser (Corvette), Dan Riddle (Chevy), Bob Pickering (Corvette), Mark McPhail and Ron Olivarez (Corvette). If you happen to know who numbers there are they are the unknown Corvette team racers: 123C, 105C and 49C.

CRUISE TO THE GRAND TETONS

On Sept 14th, CCU headed for Jackson, Wyoming with 53 Corvettes. The weather was wonderful with most of the cars going topless for trip up. On the way was the stop for Raspberry Shakes at the last stand open for the season. After checking in at the motel, it was off to Mangey Moose in Teton Village for Dinner. On Saturday, it was breakfast at the Teton Stake House and then different groups headed off to see different sights. The main group went to the Grand Teton National Park and saw a bull, cow, and baby moose in the parking lot. Keith then took the promised pictures of everyone's car at String Lake and we then went on a quick tour of the park. The afternoon was filled with scenic or white water rafting on the Snake River. The scenic tour was a bust with the only wildlife being ducks. We understand the white water rafting was more exciting. On Sunday, everyone split up in groups again with some heading home, others went back to Teton Village, the last group headed home through Yellowstone viewing Tom Thumb and Old Faithful. Thanks for a great trip Keith.

SEPT 2007 MEMBERSHIP MEETING

The September Membership Meeting was held on Wednesday, Sept 19th at Anzak Park in Cottonwood Heights. John Hawkins started the meeting by thanking members for supporting the Teton Cruise with 50 Corvettes and the Concourse Car Show with 90 Corvettes. Mike Barker presented Scott Stanford with a 3rd Place Trophy for Club Racing at RMR. He thanked club members for supporting the Club Racing this year. Bob Lapine provided some information on the 2009 Caravan to the NCM. Members interested in going should register for the caravan on the NCM website. Linda Butterfield announced the club Christmas Party on Dec 8th. Cost is \$20 per person. Money is due NLT Dec 1st.

OKTOBERFEST CRUISE

Club members enjoyed a beautiful drive up Little Cottonwood Canyon and the vivid fall colors on the mountains. Snowbird Restort saved us prime parking within a short walk to the festival. We enjoyed some great German food while we listened to the music of Salzburger Echo. They played the Elk Horns, bells and some great German Poka Music. Some members danced while others just enjoyed watching. We had some new and prospective members join us and it was great getting to know them a little better.

TUACAHN AMPHITHEATER CRUISE

On Sept 29th we escaped the first snow and headed for St George. We knew the weather was going to be a problem when we could not stand up at Thanksgiving Point because of the high winds. With stops at Fillmore, Cove Fort, and Beaver, we made through the torrential rains and enjoyed a beautiful sunny day as we descended into St George. After shopping, sight seeing and washing cars, we met up with the group that came down Friday nigh and cruised over to the Tuacahn Center for dinner and the show. It was a wonderful production, but the winds coming down the canyon were freezing. Everyone was bundled up in blankets. The next day the weather was sunny and beautiful and we headed up highway 18 to the Mountain Meadows Massacre Site. We then headed back to Cedar City for lunch. Then it was up over Cedar Breaks to Highway 89 and home. It was beautiful Sunday drive home with Horst and Gabby rolling over the 100,000 mile mark on their Corvette in Circle, Utah. Thanks Mike and Judy for a great fall cruise.

OCT 2007 MEMBERSHIP MEETING

The Membership Meeting was held on Oct 17th at the Larry Miller Chevrolet Dealership in Murray, UT. Once again, the dealership provided food and drinks. We appreciate their hospitality when they host our meetings. Mike Barker, Bob Tillotson, and Bob Lapine our 2009 Corvette Caravan Captains, provided information and showed two videos on what Corvette Caravan's are all about. They are soliciting volunteers to help great clubs from the west and north and to help plan the Caravan Activities in Utah. They asked that anyone interested in participating in the 2009 Corvette Caravan to the Corvette Museum follow the links from the CCU Website to the 2009 Caravan Website and sign-up for the Caravan. The cost is \$25 for each individual. The last half of the meeting was devoted to getting nominations for 2008 CCU Officers and approving an Election Committee to count the ballots at the Elections that will be held at the Nov Membership Meeting.

Zaino Show Car Products & Custom Tuning

10% off all current stock to Corvette Club members! Pick up the products and save shipping costs.

Zaino polish was rated #1 out of 46 waxes and polishes tested by an independent study group.

www.gurureports.org/specialreports/waxtest.3.html

Check out any car or truck forum on the Internet and look in their "car care" section and you will find that Zaino products are among their favorites.

You can go to www.zainostore.com to read about the products, check pricing and then pick up the products at my place to save both time and shipping cost. Due to popular demand I now carry Z8 Grand Finale Spray Seal.

When you've tried the rest, buy the best!
