GETTING TO KNOW THE MEMBERS

TIM AND KATHY KUTZ

Kathy and Tim were born and raised in Fort Dodge, Iowa. They met in high school and have been married for 36 years. They are the parents of three grown sons and one daughter-in-law and have six wonderful grandchildren. They lived and traveled all over the world during his 20 plus year Air Force career and landed in Utah in 1989. Their first Vette was a 91 coupe that he bought in 1995. They sold it and waited until Feb 2008 to buy their current black '08 roadster. They are excited about being members of the club.

NATIONAL CORVETTE MUSEUM NEWS

Exit 28 on I-65 / 1-800-53-VETTE // Open from 8am-5pm CT
 Closed on Easter, Thanksgiving, December 24-25 and January 1st

All roads lead to Bowling Green when 300 plus Corvettes rolled out from the Salt Lake Airport Hilton on Monday morning August 31, 2009. Among those were 23 Vettes from our Corvette Club of Utah. After more than two years of planning, our portion of the National Corvette Caravan 09 left Salt Lake City with enthusiasts from 7 western states to make stops in Grand Junction and Aurora, CO, Junction City, KS, Mt. Vernon, IL and on to the National Corvette Museum and the GM Corvette Assembly Plant in Bowling Green, KY. Five days of activities were planned for the 15th Anniversary Celebration and Grand Reopening for the National Corvette Museum.

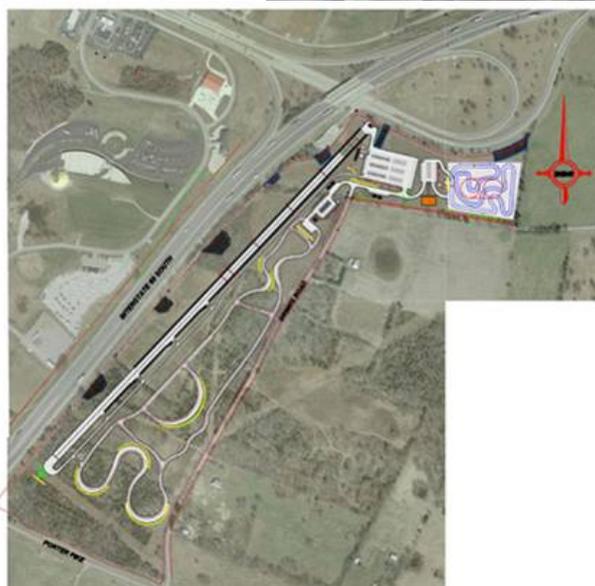

Attendance numbers are now in. There were in excess of 4,500 Corvettes from all over the U.S., Canada, the UK, and even the Netherlands and Australia. There were 5,290 people registered but in excess of 24,000 people were in attendance during the event. There were 1,875 new names enrolled as members to the NCM. Entertainment was not lacking while at the Celebration. Attendees were treated to a

ribbon cutting of the enlarging the NCM to "Things Corvette". with its old fashioned Corvette Store, the Center which can Corvettes for auctions Celebration event and designers, an

recently completed 47,000 sq. ft. addition, a total of 115,000 sq. ft. of space dedicated to "All The new addition includes Corvette Boulevard main street look, a library and archives. A new Corvette Café diner and a new Conference seat 400 for dinners and accommodate 30 and display. On tap during the five day were technical seminars with Corvette engineers, exhibit of rare Corvettes, road trips, autocross, drag racing, and the appearance of the Stingray Corvette concept car which also had a part in the recent Transformers 2 movie.

On Friday morning Sept. 4, a meeting for NCM club Ambassadors was held in the museum's new Chevrolet Theater. The meeting was conducted by museum Executive Director Wendell Strode with Stephanie Morrill, Membership/Guest Services Manager and Adam Boca, NCM Insurance Agent also in attendance. There the ambassador Reps from the many attending Corvette clubs were given information on the status of the NCM and future plans that are in the works. A major plan now in the fund raising stage is for a nationally ranked 3 mile road coarse raceway to be built on 70 plus acres on the opposite side of I-65 across from the NCM. Earlier this year Mr. Alan Wilson, designer and manager of our own Miller Motorsports Park, spent a week with staff and planners at the NCM. The project is in good hands.

Funding is now the major goal requiring \$1,060,000 as first priority for the acquisition of the land. This Motorplex Park will also host a ¼ mile drag strip and an autocross and skid pad area. For more see the Motorplex link on the NCM web site. On Saturday afternoon September 5th a grand concert was held in the museum Amphitheater for the greatest Beatles imitation group around. The "1964 The Tribute" group performed all the favorite Beatles oldies – it was like stepping back 45 years. These guys, according to Rolling Stone magazine present the "Best Beatles tribute in the World." The crowd thought so too.

During this 15th Anniversary Celebration the museum raffled off three new 2010 Corvettes plus \$15,000.00 in cash along with additional cash drawings for pre-registered participants. Wendell Strode was quoted as saying, "The tremendous success of this event says a lot about the love people have for America's Sports Car, and for fellow car enthusiasts."

Our Corvette Club of Utah is a Lifetime Member Club of the National Corvette Museum. CCU members can be proud when they walk the halls and take in the marvelous exhibits and displays at the museum. While making your visit to the museum remember to locate our CCU commemorative brick right in front of the museum main doors.

If you have questions about the NCM or are interested in becoming a member please feel free to contact me for information and details for becoming a NCM member. Remember the Wave.

If you would like to purchase Club shirts, jackets and hats, contact Horst at 450-5231, e-mail: vette_fun4two@yahoo.com. Items must be prepaid.

AUGUST 2009 BIRTHDAY BREAKFAST AND CRUISE

The CCU Birthday Breakfast was held on August 22nd at the Layton Commons Park. It was a beautiful morning for breakfast and the first chance to try out the club grill for cooking something other than hamburgers. Breakfast was good. After breakfast, a lot of us wandered the park to view the ducks and geese. The names of members with birthdays in August were read. We then departed on a mystery cruise which took us up Ogden Canyon and over Monte Cristo to Evanston, Wyoming. It was then up through Mirror Lake to Kamas for lunch. It was a great afternoon to be out driving the Corvette.

NATIONAL CORVETTE CARAVAN 2009

Wow does not even describe the experience. On August 30th, the club welcomed the Northern California, Northwest, and Idaho Caravans at the Miller Motor Sports Park. Participants and club members were treated to cart races, a parade lap, and dinner. Yes, we successfully filled the entire track with Corvettes.

On August 31st, the Caravans merged and departed the Salt Lake Airport Hilton for Colorado. No problems, even during rush hour. I was the last vehicle and the caravan was 4 miles long. At Grand Junction, the Grand Junction Corvette Club arranged expedited refueling across the street from the mall and then reserved parking at the mall. At Aurora, the Colorado Corvette Club provided dinner and breakfast at the Aurora Sports Park. The exit road out of the Sports Park just happened to be a ¼ mile and I don't need to tell you what happened each time a Corvette departed.

The next two days, the club separated from the main caravan and traveled as the Corvette Club of Utah with overnight stops in Kansas and Illinois. The club maintained the tradition of getting separated in St Louis, but all managed to eventually get to the motel. The last night before going into the museum, Mid-America Motor Works hosted a pre-caravan celebration at their facility with dinner, a band, and tours of their facilities.

On Thursday, the Northern California, Northwest, Idaho, Utah, and Colorado Caravan merged back together at over 400 strong and with a police escort departed Illinois for the last leg to Kentucky. It was pretty neat rolling past the museum with the other participants watching.

On Friday, everyone went to the Assembly Plant for a tour. It was a self guided tour that left you go through at your own pace. Most of us took 2 hours to make it through and that was with prodding from the tour guides to keep moving. We got to see it made from two frame pieces to the finished product, all colors, all options, and all models. Some people even got to start the car as it rolled out of the final inspection area. We were warned in advance that it would like it was extremely easy, but the reality is the people building the car know what they are doing. The assembly plant was easily the best part of the entire Caravan 2009 experience. I know I'm ready to order a new Grand Sport after watching the Corvettes being assembled.

Saturday was basically the final day of the 15th Anniversary Celebration. Most people toured the country side of Kentucky, finished shopping at the Corvette Store in the Museum, or went through the museum and looked at the amazing collection of Corvettes they have.

ROY — Motorists along Interstate 15 should be prepared for a Corvette takeover today as more than 100 enthusiasts heading cross country will pass through the Top of Utah in the iconic American sports cars.

The caravan, featuring Corvettes from the Pacific Northwest, Idaho and western Montana, will pass through Ogden heading south on Interstate 15 between noon and 1 p.m. and will eventually meet other caravans from all over the country in Bowling Green, Ky., starting on Wednesday to commemorate the 15th anniversary of the National Corvette Museum.

Bob Tillotson of Roy and

Vette enthusiasts have been looking forward to the caravan for a long time.

"There are two kinds of owners," says Tillotson. "You have Corvette owners and Corvette enthusiasts. For us, it's a lifestyle, the friendships you make, the places you go, the things you can do. People wave and smile as we drive by and kids love it."

Tillotson is a captain in the Corvette Club of Utah, and acts as a liaison between the club and the National Museum in Kentucky.

Although many enthusiasts love the 1963 split-window model, Tillotson's favorite is the 1969 big-block coupe. Tillotson bought his first Corvette, a 1959 model, in 1966 when he was a senior at Roy High School. He worked bagging groceries to save the money and has since owned a

31ST ANNUAL PEACH DAYS CAR SHOW

The CCU participated in the 31st Annual Peach Days Celebration on Friday Sept 11th and Saturday Sept 12th. Events started on Friday night with the traditional poker run. Saturday morning was the parade through Brigham City followed by the Car Show in Watkins Park.

SEPT 2009 MEMBERSHIP MEETING MINUTES

The September Membership Meeting was held on Sept 16th at Larry H. Miller Chevrolet. The officers presented information on up-coming events. Bob Tillotson presented information on the upcoming CCU Christmas Party and will have a sign-up and will be collecting checks at future membership meetings. He also announced that the WSCC will be doing a repeat of their Corvette's in Vegas Celebration sometime in the spring. He will be organizing a trip to the event.

Lee Turner made a motion to allocate funds 45th Anniversary Corvette Club of Utah Reunion Party and the CCU Christmas Party. He failed to get prior club officer approval of the proposed obligation as required by the bylaws and the motion was declared out of order by Paul Cox, the Club President. The Club President or any other club officer, does not have the authority to obligate club funds or allow a vote to obligate funds without the prior approval of a majority of the

club officers. The article outlining the requirement for officer approval has been returned under the Corvette Club of Utah News in this addition of the Gazette. Several members were upset with the motion being declared out of order and walked out of the meeting.

Dave Ohlson presented the proposed changes to the bylaws. These proposed changes were developed by a bylaws committee appointed at the first of the year. They were reviewed, modified, and approved by a majority of the officers in the August 2009 Officer's Meeting. Changes will be discussed again at the October Membership Meeting and then voted on at the November Membership Meeting. Other suggested changes were proposed during the review and it was asked that they be submitted and reviewed after the election of the 2010 Club Officers.

A full copy of the meeting minutes is available from the club secretary upon request.

SEPT 2009 BIRTHDAY DINNER AND CRUISE

The Sept 2009 Birthday Dinner and Cruise was held on Sept 20th. A cruise departed Salt Lake City and went over the Alpine Loop to Sundance Ski Resort. The weather was perfect and the leaves were just starting to change their colors. Following the stop at Sundance, the cruise continued down Provo Canyon to Rib City in American Fork. The food was good as usual. The names of members with birthdays in September were read. Anyone can attend the Birthday Breakfasts or Dinners. It's just another chance to come out and socialize with fellow Corvette owners.

WINGS AND WHEELS AIR AND CAR SHOW

On Saturday, Sept 26th, the city of Wendover held their 3rd annual Wings and Wheels Air and Car Show at the Historic Wendover Airfield in Wendover, UT. The Corvette Club of Utah participated in masse, filling the hanger and an outside display under the wing of an aircraft with Corvettes. Congratulations to Luke and Liliane Hoefnagel, Don Rosencrantz, Teddy Wardle, and Damon Young who received car show wards for their cars. Awards were presented by CCU Club Member and the Mayor of Wendover, Utah, Mike Crawford.

Lee Turner was able to present a check from CCU to ALS during the Air and Car Show representing the funds he collected from individuals who supported his efforts through fund raisers. Major contributors was Liliane Hoefnagel and Connie Anderson who made and auction blankets.

During the car show, there were a variety of aircraft and equipment static displays plus the history of the Wendover Airport and the training of the Enola Gay aircrew in preparation of dropping nuclear weapons on Japan. Following the car show was the air show with a variety of prop and jet aircraft, to include the F-16 Viper West demonstration team.

BRYCE CANYON OVERNIGHTER

On Oct 3rd, seventeen Corvettes headed out to Bryce Canyon for the last overnight cruise of the year. Traffic was light and the weather held out. The farther south we went, the sunnier and warmer it got. We took the scenic bypass down to Bryce, over the Devil's backbone and then down the Escalante Staircase. The leaves were still changing so we were treated to the fall colors as we went through the mountains near Boulder. After we checked in at the new Best Western, we headed into the park for sunset. We didn't stay till the sun went all the way down, but we got to see the changing colors and shadows. On the way out there were deer everywhere. Some of us ate at the Steak House at Ruby's and rest of us went to the new Bar G Show at Ebenezer's Bar & Grill. This is a new Cowboy Music dinner and show that just started this year. In the morning, five diehard cars headed into the park for sunrise. The clouds parted, and we were treated to a beautiful, but cold, sunrise.

OCT 2009 MEMBERSHIP MEETING MINUTES

The October Membership Meeting and Officer Nominations were held on Oct 21st at Larry H. Miller Chevrolet. Paul Cox started out the meeting by asking the members to not ask our sponsor for donations. Our sponsor has graciously provided a significant annual donation to the club in a financially difficult year and provided the club with a place to meet. Please try them when buying a new car or Corvette. The club has donated 1814 lbs of food from car show fees and member contributions. The club regularly meets at the Village Inn after membership meetings and all members are invited. It's time to start thinking about renewing your club membership. You can pay at the meetings or mail it to the CCU address on the front cover of the Gazette. Abbreviated minutes of the membership meeting can be found in the Gazette. The results of the elections to include the vote totals will be announced after the Nov Membership Meeting. Ballots will be retained for 60 days. The current President has the responsibility to appoint an Election Committee to conduct the club elections. Liliane Hoefnagel and Connie Anderson Announced the Yellowstone Snow Coach Trip. Details can be found in the Gazette. \$700 was donated to ALS during the Wings and Wheels Car Show. John Kennedy and Mike Crawford thanked club members for participating in their respective events. Pictures from the club photo shoot are still available. Mike Barker introduced a new member, Gary Sommercorn. Lloyd Laycock announced that calendars with Club Member's Corvettes will be available for purchase. Also new T-shirts, sweatshirts, and hats are available. Char Ohlson announced that club members now need to sign in at events to get credit. Dave Ohlson presented inputs received on by-law changes. No other inputs were presented and the changes will be presented to the membership for voting during the club elections at the November Membership Meeting. Officers for 2010 were nominated at the names are on the ballots located in the Gazette.

A full copy of the meeting minutes is available from the club secretary upon request.
