GETTING TO KNOW THE MEMBERS

JIM AND JEAN POWERS

Jean Powers was born in Winters, TX. Jim was born in Los Angeles, Ca. They have been married 46 years, have 3 children and 8 grandchildren. Jean retired from Clark County School District, Las Vegas, NV in 2000 when they moved to UT. Jim is retired USAF and Civil Service.

They have lived in numerous states due to USAF, but have lived in South Weber, UT for 10 years due to Jim's employment at Hill AFB. He retired 3 yrs ago. Their interests include traveling, motorcycles, cars and just being "Retired and Lovin Life".

Jean has wanted a Corvette for years and finally purchased a 2006 Daytona Sunset Orange convertible on July 9th this year. She "Fell in love" with it the first time she drove it. What a fabulous car!!!!

HOWARD AND BEVERLY GRIFFITH

Bev and Howard have been married for 27 years and have 4 wonderful children and 2 gorgeous grandchildren. They live in the hills of Herriman which is in the southwest corner of the Salt Lake valley. Owning a corvette had always been a dream and expected to have this one for a long time.

DOUG GRIFFITH

Originally from Illinois, Doug grew up primarily in Utah except for a few brief years spent in California and Kansas. His father was with the US Department of Justice, so travel was something the kids became quite accustomed to.

He went to school in Ogden and Salt Lake then graduated from Bountiful High in '68. Has 2 daughters, Tiffany and Jennifer, and a son, Justin. All the children are grown and have kids of their own. Two of the grand daughters have given him great granddaughters. All in all, it's a pretty great thing except for admitting publicly that he is old.

Work career has always been in electrical construction. However during the '80 s, he was with the University School of Medicine bio-engineering department, then as Systems Engineer for ARUP Laboratories in Research Park, off campus. Hired on with GSL Electric of Sandy in 1988 and has been there ever since.

Hobbies include Harley's, four wheelers, wood working and anything associated with hanging around my girlfriend Robin Cowan.

KEN BEMENT

Ken was born and raised in Salt Lake City. He attended East High School and the University of Utah, where he graduated in Accounting in 1978. Ken is the owner of Bement and Company, Certified Public Accountants.

Ken is the proud father of 6 children and 12 grandchildren and makes his home in North Salt Lake, Utah. Outside of the office, Ken is active in church and community affairs. His hobbies and interests tend to be

focused on outdoor activities, including hunting, riding ATV's, boating, his 1956 Chevrolet and of course driving his Torch Red 2010 Corvette Coupe. This is the first Corvette Ken has owned after dreaming about it for 50 years.

EMIL AND BARB STACH

Emil (Sonny) and Barb were both born in Minnesota, he in Breckenridge and she in Roseau (where Polaris was started). Emil is a VietNam vet, having spent 3 and 1/2 years there. He retired from the Army after 21 years, while he was in the military he worked on helicopters, in maintenance. When he retired he went into fabricating helicopters for aero medical (Lifeflight, for example). His last job was with YESCO in the fabricating signs department. Back problems forced him to retire in 2003.

Barb has worked at many jobs, having moved so much. She worked for a carseat factory in Kitzingen (for the Germans, very interesting given the language barrier) and a mess hall in Nuremburg. Most recent job was for Select Portfolio Servicing, until she retired in 2009.

They have two sons, Brad (40, married to Esther with three children, Alexa 13, Ashley 10, and William 7) and Jason (32, married to Trisa with two children, Carson 5, and Cheyenne 16 months). Jason's family lives with us, we enjoy the company of the grandkids.

Emil has a 79 Corvette that is now in 10,000 pieces. His back problems limit the time he can spend putting it back together. His choice for purchasing his 2005 Corvette and the 79 are that they are American made. He has had a love for Corvettes ever since the Stingray came out! They also own a 2009 Cadillac CTS and a 2003 Dodge Stratus. Emil has a passion for computers, spends many hours on it. Barb loves bowling and belongs to a Ladies league on Wed nights. They both love to travel!

PEACH DAYS

Peach Days was held on Sept 10th and 11th in Brigham City, Utah. The event started out with a poker run on Friday, Sept 10th. It was one of the better poker runs with us taking the back roads to Honeyville, Bear River City, Corinne, and ending at Pioneer Park in Brigham City. A catered BBQ concluded the poker run.

On Saturday, Sept 11th, we checked in at Hansen Chevrolet and then either headed to the parade or to the car show. The weather was great this year with temperatures in the mid to high seventies. Corvette numbers

were down a bit this year, but overall, there were 1,065 cars on display, a new record. Crowds were heavy and steady all day long. It was a good show. Pictures of peach days follow and will also be on the web page.
