From The President

Well, this is the last one I will be doing as the president of this club, as we are about to conduct nominations and elections for new officers. I will be stepping down after two years in this position, and I can tell you it has been a blast. I would be remiss if I did not say something about the officers who have served with me in these past two years. All of the vice presidents – Vicki Ricketts, Connie Statham, and Judy Corgiat - have stepped up and done what was needed and required all through the year, taking on even more duties since I moved to southern Utah in August. Dave Ohlson has been successfully keeping the web working and the members up to date on what is happening. Bob Clayton has, as always, kept the Gazette going and looking great, as well as signing up to do various cruises. Our secretary, Char Ohlson, and Treasurer, Shirlynn Gildea, have done an outstanding job keeping the books up to date, taking great notes from the meeting, and getting me up to date on activities. The special events chair, Larry Ricketts, keeps us going to interesting places and has done a wonderful job in this position. Our membership chair, Lloyd Laycock, has our membership going strong and is taking care of all new members as they sign up and become involved. Last but not least, our historian, Mike Corgiat, has worked hard to take pictures and keep our history alive, year after year.

This club has been updated with Facebook and YouTube, and we are now online with PayPal for dues, membership sign-ups, and merchandise. The Facebook account is always looking for any of your pictures you take on cruises, outings, and breakfasts. Please forward them to Dave Ohlson so they can be added to Facebook.

This year has been a great year for activities and obtaining money for our charity, and we will be donating a significant amount to the Wounded Warriors charity.

I cannot tell you what a pleasure it has been to be affiliated with this club as the members are always ready to go place and do things to support this club.

The elections are upon us and it is time for some new people to step up and become involved in this club. We've had the same set of people doing it for the last few years. Please consider how you can take on a really fun role for a year or two. If you're not elected, remember to volunteer to do a cruise, or a one-day trip after a breakfast, or before a dinner.

Good luck with the coming year and, because this is your club, get involved! It is what you make it.

28-31 2019 National Corvette Caravan and 25th NCM Anniversary

Getting to Know the Members

Lynn and Raneë Barney

Renee and I were members in 2001 to about 2004. We just bought a new Vette and would like to join again for the great activities and road trips we enjoyed before.

Billy and Sherry Bernard

I purchased my first Corvette, a silver 1969 convertible, in 1971 with money I had saved while in the military. I found the car to be an incredible chick magnet. By 1977 I was married and found it was no longer cool to have girls follow me into parking lots. I then sold the car for \$1,200 more than I paid for it. Now that I am much older but with the same wife, I think I can once again own a Corvette without having any more trouble along those lines. My wife, however, thinks I am still young and good-looking. I think she's delusional.

Ray Feldt

Growing up in Northern San Diego, Southern California, the admiration for the "Vette" was in the dreams of any youth (I was found in the front of the line up) while romping in the sandy sunny beaches my home in Carlsbad. Everything in motion would stop, eyes would widen and the head would be involuntarily turned in tracking mode every time one would roll past on the coastal highway 101. While on their Northbound or Southbound adventure, either direction was the purpose, the occupants seemed to have the life of freedom as the wind blew through their hair and sunrise reflected off of their mirrored sunglasses....it was then, I knew, some how, some day, I would have one! Some dreams never die all through our life and the opportunity needed only to present itself, when the blessing came, so too was the action taken and thus, the dream is now reality, sheer joy, a part of the great "Vette historical family. I need not describe to any of youth feeling, for you know it all to well. The pleasure is now mine too. Thanks for including me and my 40th Year All American Corvette. "The Corvette", the mixing of such great engineering, performance, raw power, and man (and his woman) for unforgettable pleasure and euphoria no matter where the road goes". Ray

Rik and Florece Noring

My father opened the Corvette Center when I was 5 years old. I was selling parts at swap meets from the time I was 8. I really didn't have a choice but to fall in love with America's Sports Car! In 2003 Florece and I did the anniversary caravan to Bowling Green - the best road trip ever!!! We enjoy auto crossing, rallies, and pretty much anything you can do in a Vette! We have been out in Utah for the last 10 years running the Corvette Center there, and we are now very happy to be back home.

Casey and Trisha Poelzl

Hello, My name is Casey Poelzl, and I'm thrilled to be joining the CCU! My wife's name is Trisha. We've been married for 15 years, and have two boys, Carson and Caden, 11 & 8 years old respectively. I've been a Corvette lover all my life. My dad says it's in my blood! My dad has had classic cars since I was born. He brought his first Corvette home when I was about 15 years old. Since then there have been many days dreaming & staring at his beautiful 1978 silver anniversary edition, among his other C3 Vette's in various stages of restoration. For me, I have two Vette's now. The first is a 2010 Grand Sport, Yellow, convertible, 6 spd manual - funnest thing I've ever driven in my life. The other is a 1977 coupe with a rebuilt 350 & 4 Spd Trans. This car is special it's the year I was born, and has taken over 2 years to restore to what it is today - which is a show car, and will be shown for the first time ever at the Peach Days car show 2015! This one is a beautiful Canary Yellow, with white highlights on the hood. Gorgeous paint & body - gonna be hard not to stare! I very much look forward to club events, and meeting other Corvette fanatics who love these cars as much as I do. Thanks! Casey

Ali Al Shamisi

I'm Ali from the United Arab Emirates (UAE), especially from Abu Dhabi City. I came to Utah State to study Mechanical Engineering at the U. Since I was a kid my dream car was the ZR1 Corvette. Last February, I got my C7 Z51 and I really love it. It is so fast, smooth on the corners, and spectacular on the roads. I was searching for corvette clubs almost 3 months ago, but unfortunately I didn't find any. Until today (Oct 4th) my dream come true I saw a group of rare vetted near Hires Big H parking, so I met David and he explain everything to me also how I can register through the website. I can't wait to meet all you guys.

NCM Holds Ribbon Cutting for Skydome Post Sinkhole Construction

It's official! A year and a half after a large sinkhole formed in the Skydome of the National Corvette Museum, the 13 story iconic landmark is back, better than ever, with all eight "sinkhole Corvettes" returned to display. Though the Skydome re-opened to visitors on July 6, a ceremonial ribbon cutting (or rather, caution tape cutting) was held as part of the Museum's 21st Anniversary Celebration.

What could have been a major road block for the Museum became more of a speed bump as the sinkhole is credited with the 67% increase in visitors for 2014. Instead of immediately filling the sinkhole and restoring the Corvettes, the Museum "made lemonade" and embraced the international news-making occurrence, putting nature's handiwork on display for most of 2014.

"The success of the sinkhole saga could not have been possible without the help and support of several key players," said Katie Frassinelli, Museum spokesperson, at the dedication event. Frassinelli stressed how fortunate the Museum was that no one was in the building when the collapse occurred while thanking the construction crew and insurance company for also embracing the new attraction. "They have entertained our crazy requests – from saving sinkhole boulders for our landscaping, to salvaging dirt and rock that we bottled for sale in the Corvette Store," she said. Frassinelli also commented that much of the Museum's positive outcome from the sinkhole collapse is a result of being able to release video footage of the collapse as it occurred, and later allowing visitors to stand mere feet from the sinkhole to get an up close view.

"There is one chapter left to our story," Frassinelli said. "Late this fall we are excited to welcome a special exhibit called Corvette Cave-In: The Skydome Sinkhole Experience. Visitors will learn the particulars of sinkholes, karst landscapes, and caves as well as what happened, why it happened, details on the eight Corvettes and how they were recovered and restored, and how the building was structurally repaired. The tour ends as the cave they are visiting virtually collapses over their heads to reveal their location underneath the Museum."

Corvette Racing at Cota: Pair of Prototype Podium Positions

Garcia, Magnussen lead GTLM efforts for Corvette Racing

- Wayne Taylor Racing, VisitFlorida.com Racing second and third overall
- Tough fight for both Chevrolet Corvette C7.Rs in GTLM
- Chevrolet closes in on Prototype Engine Manufacturer title

Corvette Racing's Antonio Garcia and Jan Magnussen remain in the hunt for the GT Le Mans (GTLM) Driver's title in the TUDOR United SportsCar Championship headed to the season's final race.

The pairing led the team's efforts with the two Chevrolet Corvette C7.Rs on Saturday in the Lone Star Le Mans race at Circuit of The Americas. Winners of the first two events of 2015 - the Rolex 24 At Daytona and Mobil 1 Twelve Hours of Sebring - Garcia, Magnussen and the rest of Corvette Racing can now turn their attention to the 10-hour Petit Le Mans at Road Atlanta in two weeks time.

Also in Saturday's TUDOR Championship race, Wayne Taylor Racing and VisitFlorida.com Racing scored podium finishes with their Corvette Daytona Prototypes to move Chevrolet closer to clinching its fourth consecutive Prototype Engine Manufacturer Championship.

Jordan Taylor and Ricky Taylor placed second in Wayne Taylor Racing's No. 10 Konica Minolta Corvette DP for their third runner-up finish of the season. Prototype championship leaders Richard Westbrook and Michael Valiante were third in VisitFlorida.com Racing's No. 90 Corvette DP and unofficially increased their points lead to six points heading to Petit Le Mans.

Action Express Racing's two Corvette DPs are tied for second in the championship after Saturday's race. Eric Curran and Dane Cameron were fifth in their No. 31 Whelen Engineering Corvette DP after leading the race early, while defending Prototype champions Joao Barbosa and Christian Fittipaldi were sixth in the No. 5 Mustang Sampling Corvette DP.

In GTLM, Garcia started fourth and drove the first 90 minutes in the oppressive heat and was able to stick with the lead cars during his double stint. Magnussen took over at that point and attempted to keep the No. 3 Corvette close in the race's final hour. However he had to stop two laps from the end for a late splash of fuel and finished sixth.

Oliver Gavin and Tommy Milner, winners of the 24 Hours of Le Mans with Jordan Taylor in the GTE Pro class, placed eighth in GTLM with their No. 4 Chevrolet Corvette C7.R. Milner started the race from sixth and gained a spot early. After struggling early in the week, the stronger pace for the No. 4 Corvette was evident early on.

Milner drove the opening 80 minutes before the No. 4 crew called him to pitlane in a strategic call. Gavin replaced Milner on the stop and rejoined the field just before the race's second and final full-course caution period. Gavin ran second on the restart and tried to hold his position on older tires compared to the rest of his competitors. The final race for the TUDOR United SportsCar Championship is Petit Le Mans on Saturday, Oct. 3 from Road Atlanta in Braselton, Ga.

Not Hearing About Upcoming Events

We try to keep you informed with the Gazette, the CCU Website, and e-mail reminders. If you want to receive e-mail updates on events, changes to the schedule (and that does happen), you need to let us know your current e-mail address. If you change your e-mail address, you need to tell us or you won't get CCU e-mail.

Club Member Significant Family Events

If you know of another member who is ill, having surgery or has had a death in the family, please let the CCU Secretary or another officer know, so a card can be mailed from the club.

Corvette Club Clothing

Keep an eye on the CCU website. In the very near future, there will be a link to club, shirts, jackets, hats, and other mementos. From the comfort of your home, you will be able to view, select, and buy club items using your computer, notebook, or smart phone. Items ordered this way will be shipped directly to your home.

Lake Point Days Car Show

On Saturday, Aug 22nd, a couple of us went to the Lake Point Car Show. This was strictly a small town car show with a little bit of everything including tractors. There were trees on the grass behind the cars so we could sit and chat in the shade. There was a small town parade before the car show and a small town carnival next door during the car show. It was just a quiet, relaxing day.

Miner's Day Parade

On Monday, Sept 7th, ten Corvette's from CCU headed to Park City to be in the Labor Day Miner's Parade. We started out from Smiths on 53rd South early in the morning

and headed up I-80 to Park City. After getting the cars cleaned up and staged, we watched parade go through Park City until our time came up. Some members even walked down to watch the rolling of the ping balls down the street before the parade.

Then our turn came to head out, all down hill, with the engines revving. After the parade, we headed over to the Gateway Grill in for lunch. Following lunch, it was over to the Heber Creamery for ice cream. Because of a fire in Provo Canyon, we had to back track a little bit and headed back into Salt Lake City on I-80. It was fun way to spend Labor Day.

Peach Days Poker Run

On Friday, Sept 11th, we attended the Peach Days Poker Run. This is charity fund raiser benefitting Cancer Research. For \$5, you get a poker hand and a hamburger. The biggest benefit is if you pre-register, you can pick up your packet for the car show the next day and avoid the long line. We had quite a few members attend. There were two routes this year to keep the lines down when you are

drawing your hand. We were out west of Brigham City counting silos, overpasses, and stop signs. Join us next year.

Peach Days Car Show

On Saturday, July 12th, we displayed our Corvettes at Peach Days for another year. There a lot of great cars, over 1,000 on display. There was also a good showing of Corvette's including a new Z06 Stingray. Peaches were a little green this year, but the berry cobbler was really good. The weather was almost perfect with a lot of shade. As always, a large and consistent crowd looking at the cars.

Sept Membership Meeting

On Wednesday, Sept 16th, we held the membership meeting at Larry H Miller Chevrolet in Murray, UT. They had three C-7's on the sales floor so contact them if you would like to buy one. Judy Corgiat conducted the meeting. We were a little light on attendance so many of you must have stayed home and watched the presidential debate. The Officer Elections and future events were discussed. The Forbes were introduced as new members even though they have been on their first trip with us. Lloyd informed the membership that the officers would work on and present a bylaw change that would increase the new member fee. Current expenses now exceed the new member fee. A full copy of the meeting minutes can be obtained from the Club Secretary.

Sept Birthday Breakfast and Cruise

On Saturday, Sept 19th we met at the Harley Davidson Store in Lindon for the Sept Birthday Breakfast. We had a good showing, but only one member with a birthday in Sept. So it was a Kori Jensen Birthday Party this month.

After breakfast, we cruised up to Strawberry to watch the salmon spawning. Who would ever think that Utah would have salmon. From Strawberry, we headed up to Tabiona, Hana, and Kamas

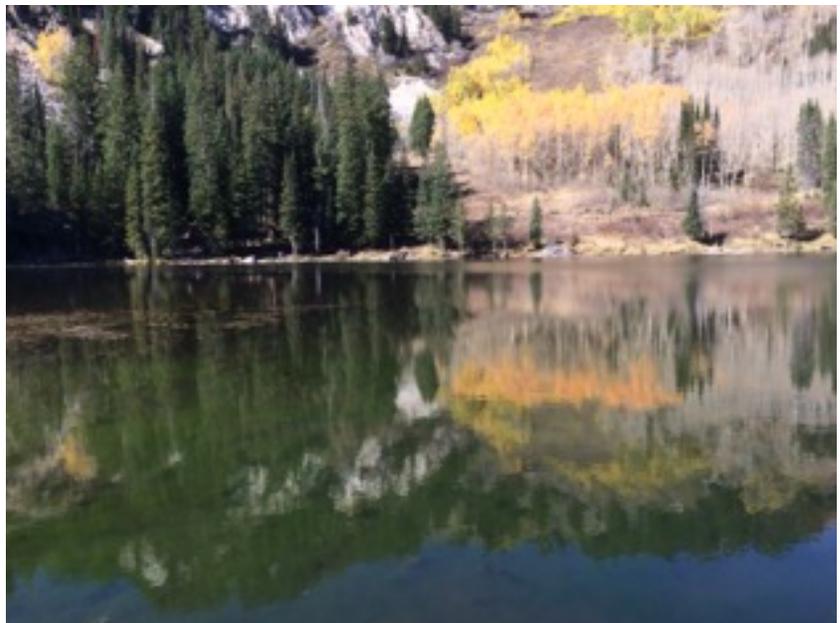

to look at the fall leaves. They were changing, but not quite as bright as in the past. We then went down Weber Canyon to Taggart's for a late lunch. Members from South went back up Weber Canyon and rumor has it, stopped at Ruth's for dinner. We do like to eat. This was probably the last breakfast cruise but join us next month to celebrate members with birthdays in October.

Road Rally

On Sunday Oct 4th, some of us gathered at the Hires Big H in Salt Lake City for the first ever Corvette Club Car Rally. All of us received directions one at a time on a time departure from the Big H. We wandered around the U of U Campus, up over Emigration Canyon and down through south side of Salt Lake City. We left at

1:00 PM and were the last to arrive at about 6:00 PM. On the way, we had to look for and write down clues from the route. We got lost for about an hour over by 13th East but eventually recovered without help and made it to the end. It was stressful, but fun. I think you will see another one next year. Thanks Don and Juleanne for setting it up and running it.

CCU October Birthday Breakfast

On Saturday, Oct 10th, the October Birthday Breakfast was held at Mimi's Cafe in Murray, UT. Members with

birthdays in Oct were recognized and the birthday door prize drawing was held. We had a full house again. Following Breakfast, we had an impromptu cruise up to Brighton Ski Resort. Only a few came on the cruise, but the walk around Silver Lake was spectacular. The weather was perfect and the fall colors were still out in force.

CCU October Membership Meeting

On Wednesday, Oct 21st, the October Membership Meeting was held at Larry H. Miller Chevrolet in Murray, UT. It was CCU Officer nomination night. The nominee's are on the ballot which is the center page of the Gazette. Ron and Michelle came up from St George for the meeting. Ron went over past and future events and then conducted the nominations. Not very many were willing to step forward, but we were able to get a nominee for each office. Candidates for our Charity next year were also selected. Finally, there are two bylaw changes on the ballot regarding new member fee's and new badge fee for an associate member. Information regarding the charities and the bylaw changes can be found on the CCU website.

A full copy of the meeting minutes can be requested from the club secretary.

Hawaii Cruise - Nov 28th to Dec 13th

A chain of secluded tropical islands sitting all alone in the middle of the Pacific, Hawaii is just waiting for you to discover them. When you cruise Hawaii, Carnival offers so much to do... with ports spread across four Hawaiian islands, you can be sure you're seeing a whole lot of this stunning, unique state.

The fall Carnival Cruise's are back. Several of the CCU members have gotten together every fall to take a fall cruise to the Caribbean. Last year we had a setback when the Travel Agent who set these up for us passed away. This year, we are going to do a long cruise and go to Hawaii. If you would like to join us, it will be on the Carnival Miracle departing on a 15 day Hawaii cruise on Nov 28th out of Long Beach. You can book the cruise at www.carnival.com , 1-800-764-7419, or contact your own travel agent. For more information contact Bob Clayton or Mike Corgait.
