GETTING TO KNOW THE MEMBERS

DON & DIANA ROSENKRANTZ

Don is an Assistant Fire Chief with the Sandy City Fire Department. He has been in the fire service for 32 years. His wife Diana is a mortgage loan officer and the manager of the Midvale branch of Republic Mortgage. They like to camp and fish when ever possible. They have four grandchildren that we also enjoy very much.

Don has always enjoyed looking at corvettes and when Steve and Deb Wolfley bought one he became more interested. The Wolfley's introduced them to the club. He bought a 2005 C6 with 2400 miles that had been wrecked and has rebuilt it. It was a great project and he really enjoys driving the car.

They have attended several meetings now, been to a car show, race night and one driving event. It seems to be a great bunch of people that enjoy having a good time. They look forward to being a part of this club and are more than willing to help when ever possible.

JEFF AND PAT ENGLAND

Jeff and Pat have been married 39 years and have 6 children, 5 daughters and 1 son. They have 9 grandchildren and 1 on the way. They are in the trucking business. Their company is called Pride Transport. Jeff is an England and is part of the family that has C.R. England trucking. Jeff has always been a gearhead, he bought a new 63 Corvette spit window, which he wishes he still had. He also had a 1967 Corvette 396 with side pipes. He gave up corvettes in about 1969 as he got involved with boat racing for about 10 years. His next corvette came in 2002 when he bought a new ZO6. He now owns a 2007 ZO6 which he purchased in December 2006. He

has 3 brothers, 1 son, and 2 sons in law who are involved in some track racing that has been a lot of fun. They are a very close family and enjoy doing things together. They look forward to participating in some of the club activities.

JIM AND PEGGY LARSEN

They moved to Utah in 1995 directly from Flagstaff, AZ. They have also lived in the Kansas City area and various locations in So. California. Jim was a surfer in his high school days.

They have been married for 31 years and have four children and nine grandchildren. Jim always wanted a Corvette, but sacrificed buying one for the usual family obligations.

Peggy finally bought the car, supposedly for his birthday in October. She set their cousin in St. George to the task of finding one. After scouring the entire U.S. and seeing a lot of junk, he finally found the car in Santa Maria, CA. Beautiful condition with 23,500 original miles. Peggy ran it in St. George for almost two months and couldn't stand it any longer. She surprised him in mid June. Jim has not touched the ground since.

Jim is anxious to meet with others with similar interests. He is looking forward to participating in runs and meetings. Also to pick the brains of the experts to find out how to take care of his dream car.

RAY McMANUS AND AMY DAVIS

Growing up, Ray's dad owned two 72 Vettes. His ownership was short but the memories that he still has of it are last long. He traded his 63 Impala and cash for the first 72 then traded the vette for a motorhome and then finally did a straight trade for another 72 vette. Ray still has pictures of himself next to his first vette holding up a car model of a vette. Since that time, he has always taken an interest in cars and vettes.

Ray just graduated recently from the University of Utah, majoring in Mechanical Engineering. After all the hard work, he could not think of anything more rewarding than to buy a vette. He has always kept an eye out for one and one lucky day he found one for sale that had everything that he wanted. The ad for the car was up only a day before he put a down payment on it.

He has owned the car for about six months now and is loving every minute. He drives the vette everywhere and its amazing the enthusiasm you get when you drive it around; its truly an American dream car. He has a 100+ commute to work and back and the car runs nice and smooth. He really enjoyed it and would like to get acquainted with other people that have the same interest.

REX WAGNER

Rex comes to us from Burbank California. He is Carbon Production Manager for Easton Technical Products. He started racing at 16. His first race car was a 1956 Chevy Belair Business Coupe with a 283 bored to 301 cu.in. and FI heads. It took him to 98 MPH in 13.98 through the 1/4 mile. His first Corvette was a 1965 yellow rag top with a hard pop-top 327 cu. in. 4 Speed. He currently owns a 2005 Magnetic Red Corvette Coupe 6 Speed with all options. He still loves to hear a well tuned engine in high rev and the smell of burning rubber. His other interests are his children and grand children, camping, fly fishing, bow hunting and music (anything, but opera).

LLOYD AND LINDA LAYCOCK

Lloyd and Linda were born in American Fork. Linda grew up in Pleasant Grove and Lloyd in American Fork. Linda still works part time in a doctors office and Lloyd retired in April of this year. They have been married for 43 years and have lived in American Fork for all 43 years.

Lloyd has always enjoyed rebuilding cars, trucks and jeeps. Mostly jeeps for the past 14 or 15 years. They have a get away home in Moab and try to make monthly visits for some R & R.

At the present time, they own an 1985 corvette, and have owned a 1968 some years back and in both cases I have traded a car or vehicle or something for them, so he has owned 2 corvettes and has never really bought one.

Lloyd has known Jalee for many years as well as her parents, and she invited them to go to Manti with the club. They enjoyed the time and people they met and decided to join the club.

Sales presentations at any of our membership meetings from any business or organization other than our sponsor must be approved at the Officer's Meeting the month prior. Please, no exceptions.

From Article XI, Section 1 of the ByLaws – Points will be awarded to the members for their participation and the winner will be determined by the highest score for each calendar year. Most events are scheduled at the Officers Meeting in January and February. So start planning now so you can propose it for 2008.

BLUFFDALE TOWN DAYS 2007

Bluffdale City was very pleased with the great showing of more than 40 Corvettes for their car show. Our club received a check for \$500.00 and Bluffdale City would like us to come back next year. Thank you to everyone who made this show a success. Kim Riley

JUNE MEMBERSHIP MEETING

More than 120 members came out to enjoy the Dutch Oven Dinner and the comradery of fellow members at our June membership meeting held at Riverfront Park. New members were introduced and upcoming events were discussed before door prizes were won. Kim Riley

DICE RUN CRUISE

What beautiful weather and scenery for a day cruise on Highway 40. Everyone tried their luck at rolling the dice, but not everyone had a lucky day. Terri Ballard won first place and \$70.00. Ron Rosenkrantz took second place and \$40.00. Third place was a tie with Judy Corgiat and Ned Anderson. They split the \$30.00 prize. The biggest loser was Parley Dudley with a total score of zero. He won last place and took home \$5.00. I know, you are all asking how he could get zero. Well, if you rolled doubles you lost all your points at that

stop. Parley managed to roll doubles each time and came out with no points. We ate lunch in Heber and returned our Corvettes and drivers to their cool homes and garages to get ready for our next event. Kim Riley

4TH OF JULY AT SOUTH JORDAN

It was a beautiful day in South Jordan for a car show. The show itself was held under the tree shaded walkway to the South Jordan Main Park. The early birds started the day with a parade thru South Jordan. After the parade, they joined 52 Corvettes waiting for them at the park. It was a good steady crowd all day long. Thanks for your support in earning the club another \$500 for charity.

JULY MEMBERS BIRTHDAY LUNCH AND CRUISE

The July Birthday Dinner and Cruise was held on July 8th. Trying to save some gas and beat the sweltering heating, the club took a cruise up Cottonwood Canyon to the Brighton Resort. They spent a couple of hours looking around and cooling off. The cruise was followed with lunch at the Beijing Chinese Restaurant where the names of members with birthdays in July were read.

CCU CORVETTE AND RAILROADS CRUISE JUL 11-16TH

The big event for July was Corvette and Railroads cruise to Colorado. It was a quick run to Durango with a stop in Moab for lunch. Upon arrival, we went to the Bar D Ranch for dinner and entertainment. At Durango, we took the Durango & Silverton narrow gauge train to Silverton, a 4 hour trip. The weather was great, the views were spectacular, and the temperature was much cooler.

Next stop was Cannon City where we visited the Territorial Prison, rode the Royal Gorge Railroad, and visited the Royal Gorge Park. Ask Scott, Hope, and Jo what it's like to swing out over the canyon on a swing. The big highlight was to bring the Corvettes into the park and take pictures of them on the Royal Gorge Bridge.

On Sunday it was off to Cripple Creek and Colorado Springs on roads made for Corvettes. At Cripple Creek we rode another narrow gauge mining train and ate lunch at the casinos. Outside of Colorado Springs, we rode the cog train to Pikes Peak. The view was spectacular and the wildlife, Wood Chucks, Elk, and Mountain Sheep were abundant.

Finally, it was time to come home with a stop for another narrow gauge mining train at Georgetown. We headed home in three groups with some traveling directly from Colorado Springs to home, from Georgetown to home via Interstate 70, and the last group through Rocky Mountain National Park using US40.

We all had a great time and agreed there is a lot more of Colorado to see. Plans were already being made for another run to Durango, Hermosa Springs, and other sites in the Colorado Rockies. Thanks Parley and Hope for a wonderful cruise.

JULY MEMBERSHIP MEETING

The July membership meeting was held on July 18th at Sandridge Park in Roy. Bob Tillotson hosted the meeting, cooking brauts with is son-in-law. John Hawkins opened the meeting by thanking Bob for arranging the park and BBQ. Mike Barker introduced a new member who they recruited from the club races at Rocky Mountain Raceway. John and Judy were presented a gift for arranging and hosting the cruise to the Sawtooths in June. Future events were covered in detail by their respective organizers.

KENNECOTT COPPER MINE CRUISE

A cruise to Kennecott Copper Mine was held on July 21st. The club meet at Fazoli's Restaurant for lunch followed by a cruise to the mine. The club then took a short cruise over Suncrest to Highland.

BEAR LAKE CRUISE JULY 28-29

The cruise started out with a beautiful drive up Weber Canyon, over Trapper's Loop, and over Monte Cristo into Bear Lake. We had small parade through the campground at Monte Cristo on the way. It was a beautiful day to cruise with the tops down.

We spent the afternoon at Merlin's Drive-Inn eating Raspberry Shakes and participating in a car show. We filled the grassy area behind Merlin's with 34 Corvettes. Lee and Nona Ellis took First Place at the Car Show with the Black Rose.

We then checked in at the Harbor Village where you could take a nice dip in the pool to cool off before dinner. We then headed on down to the *Pickleville Playhouse* for a BBQ and a great show. George Rushton was the guest of honor this year and the entire theater sang happy birthday. After the show, the Wolfley's hosted the club for a bonfire and drinks. It was a wonderful evening.

The next morning, it was an early morning breakfast at Ardell Bown's where Ardell and his family cooked omlets for the club. Those that were interested traveled over to Minnetonka Cave for a morning tour. Our thanks to Steve and Debra Wolfley for a great event and to Ardell and Donna Brown and their family for a wonderful breakfast.

AUGUST BIRTHDAY BREAKFAST & CRUISE

The August Birthday Breakfast and cruise was held on August 4th. Breakfast was at the Golden Corral in Midvale. The names of members with birthdays in August were read and recognized. After breakfast, we cruised over to This Is The Place Heritage where we spent the morning visiting and learning about the historical sites. The cruise ended with quick trip up Lambs Canyon.

WYOMING DOWNS CRUISE

The Wyoming Downs Cruise was held on August 11th. The day started with a cruise up to Evanston, Wyoming to the race track. The Corvette's were on display on the grass at the front of the race track. The track recognized on the marquee, took our picture in the winning circle for the first race, and provided \$6.00 credit each for lunch. It was a great time.

AUGUST MEMBERSHIP MEETING

The August Membership Meeting was held at Ardell Brown's where we had a BBQ. At the conclusion of the meeting Ardell opened up his collection of cars for the club members. Our thanks again to the Brown's for opening their home and car collection to the club.

CRUISE TO THE GRAND TETONS SEPT 14-15

As of 14 August, we have 40 cars signed up. If you have never been to the Tetons before, you're in for a beautiful scenic cruise through the Rocky Mountains. It will be a very memorable experience.

Friday, 14 September. The South Members will gather at the Smith's Parking Lot on 650 West 5300 South (just two blocks west of I-15) at 8:00a.m. and rendezvous with the North members at the Flying J Gas Station in Perry, Exit Number 362 on I-15. Departure from the Flying J will commence at 9:15a.m SHARP!

Route: North of I-15 until Brigham City, then crossover to Route 89, pass through Logan and stop in Garden City (Bear Lake). Strawberry Shakes and sandwiches at Hometown Restaurant. The stop in Garden City will last about 45 minutes and from there, we continue to Jackson.

Park Entrance: Admission to the park is \$25 per vehicle. We will enter the park at the South Entrance located at Moose Junction. The pass is good for 7 days. **PLEASE – have the exact amount ready to hand over to the park rangers.**

***** Most people who will come on this cruise will want pictures taken of their car at String Lake Junction as shown here. The best time to get a shot like this varies with the weather. Often times, the best conditions are just after sunrise (about 7:00a.m.) as the mountains are fully lighted and there is no chance for back glare.

Friday Night Dinner: Dinner at the Mangy Moose in Teton Village, right next to the skyway up the mountain. The food is terrific and you can see in advance what is available by visiting their website at <http://www.mangymoose.net/directions.php>. We have a private balcony dining area for the CCU and they will bill us on a per/table basis, (no individual checks) so come with exact dollar amounts for your meal. They will only allow 1 credit card per table.

THANKS TO OUR SPONSOR

I have had the pleasure of dealing with Rod Rowley from Larry H. Miller Chevrolet for about the last 5 or 6 years. He has always came through as a sponsor and donated money for the Torch Run for Special Olympics. I also had the pleasure of representing the club when we needed a new sponsor and was asked to meet with Miller Chevrolet and ask them to be our sponsor. From the very beginning Rod Stated that if they were going to be our sponsor that every thing would be first class. From everything I have seen so far that the way we have been taken care of. While working with Rod to put the LHM/CCU car show together it was mentioned that Rod would buy the insurance to sponsor a Hole In One contest at the Special Olympics golf tournament held in July. Much to my surprise, I expected to have a small Chevrolet to be a prize. But being the class act that he is he put up a brand new 2007 Chevrolet Corvette to give away. This was a real hit at the tournament and too bad we did not give it away.

I just wanted everyone in the club to know what a class act we have for a sponsor and you could not ask for better people to deal with when buying a car.

Again a big thanks to our Sponsor Larry H. Miller Chevrolet and the General Manager Rod Rowley.

IN MEMORY OF
ANTHONY (TONY) HOFENAGEL

The Corvette Club of Utah lost a loyal member and good friend during the summer. Tony was always there for you, acknowledging you with that wonderful smile and twinkling eyes. He was a wealth of information on cars, especially Corvettes. Even as his health got worse, Tony was still eager to hear from you, wanting to hear what was going on even though he could no longer communicate with you. All you would get was that wonderful smile. Tony, we miss you. Our hearts and prayers go out to his wife Linda, his brother Luke, and the Hofenagel family.
